Much more than an after-school program, Neighborhood Homework House is a faith-based learning center that brings hope and encouragement to the children of Azusa, California. How? By providing a welcoming, safe haven where children are encouraged to reach for their dreams and are equipped with the tools to realize them. We accomplish this by investing in each child through one-on-one tutoring, enrichment activities and building lasting mentoring relationships that span their childhood and teen years.

We are currently recruiting for:

**K-8 Program:**  *Between the months of September-May, we are looking for tutors to provide one-on-one homework assistance to the same student(s) once or twice a week for 1.5 hour sessions. Tutors choose tutoring sessions based on their availability and desired age group. We will also accommodate single semester tutors as well (Fall semester or Spring semester only). *Fall 2015 session begins September 23rd*

**Internship Program:**  *Between the months of September-May, we are looking for unpaid intern candidates to help make our program run successfully. Depending on the nature of the internship, job duties could include providing assistance to the program lead, leading portions of the program, leading & training volunteers, office and administrative work, communications & web design, etc. We will also accommodate single semester internships as well (Fall semester or Spring semester only). *Fall 2015 session begins September 23rd*

If you are interested in partnering with Neighborhood Homework House please email volunteer@onhh.org for more information. You may also apply on our website (www.neighborhoodhomeworkhouse.org).
