The mission of Providence Christian College as a Reformed Christian institution is to equip students to be firmly grounded in biblical truth, thoroughly educated in the liberal arts, and fully engaged in their church, their community, and the world for the glory of God and for service to humanity.
REGARDING THE CATALOG

This catalog contains general academic and administrative information along with specific descriptions of the courses of study offered. Because the catalog is published prior to the year it covers, changes in some programs will inevitably occur. The schedule of classes in Populi, the student information system, will have the most up-to-date information.

This catalog may be found online on the College website during the summer prior to the start of the academic year. Prospective students are encouraged to review this catalog online prior to signing an enrollment agreement.

Any questions or concerns regarding this catalog and the information contained therein may be directed to the Registrar’s Office: registrar@providencecc.edu / 626-696-4006.

Disclaimer:
Providence Christian College reserves the right to change any and all student charges, modify its services, or change its curriculum or programs of study should economic conditions, curricular revisions, or other relevant factors make it necessary or desirable to do so. While every effort is made to insure the accuracy of the information in this catalog, Providence Christian College has the right to make changes at any time without prior notice.

GENERAL INFORMATION

VISION OF THE COLLEGE

Providence Christian College is a Reformed Christian college whose mission is to equip students to be firmly grounded in biblical truth, thoroughly educated in the liberal arts, and fully engaged in their church, their community and the world for the glory of God and for service to humanity.

The vision of Providence Christian College flows from its mission and core values. In order to fulfill this mission, the College seeks first and foremost to create a culture of learning where the Bible and the Reformed confessions that summarize its teachings provide the essential principles that direct its educational philosophy. The foundational character of Scripture is articulated in the theological purpose statement of the College. Courses are taught from a biblical perspective emphasizing the creation, fall and redemption of humanity. This perspective shapes the core curriculum which is organized around knowing God, knowing creation and knowing ourselves. This foundational commitment also shapes the majors and their development.

Providence Christian College is committed to a rigorous, holistic and interdisciplinary liberal arts curriculum designed to enable students to think critically, to evaluate a variety of worldviews, to see clearly from a Christian perspective, to demonstrate creativity, and to engage the world around them. In order to accomplish this goal, Providence seeks to integrate faith and learning, to promote collaborative student-faculty interaction, to build an academic community, and to help students to “author” their own education. In considering long term growth, the College seeks to maintain a student body that allows for genuine academic community and the benefits of a learning environment possible in a small residential liberal arts college.

Providence Christian College seeks to enroll Christian students as it strives to be an institution that promotes a covenant community on campus where students care for each other and are accountable to each other. At the same time, the College seeks to welcome and engage the broader world by building a college community that is not only unified in its Christian commitment but also culturally and ethnically diverse.

The educational goal of the College is to equip and encourage members of the college community, particularly students, to serve God and neighbor as the Bible directs, with a clear sense of their calling in the world. The education at Providence is designed to link knowledge to action, to encourage service, to foster knowledge of and a concern for the local and global community.

As the College develops, it will help students to develop wisdom and discernment in fulfilling God’s mandate for faithful stewardship over the creation and in service to humanity. Providence also seeks to maintain a nurturing educational environment that prepares Christian students who
are firmly grounded in biblical truth and who grow into those who are fully prepared to engage the wider world.

Providence looks to the future with the confidence that God will bless the efforts of the College as it is faithful to its mission. The College seeks to be faithful to the Lord and his word as it lives out its core values “for the glory of God and for service to humanity.”

**History of the College**

In November of 2001, a small group of Christians met in Chino, California to consider establishing a Reformed Christian college on the West Coast. Those present were motivated by a deep appreciation for higher education from a specifically Reformed and Christian perspective. Some had been educated in such Christian colleges. Others had enrolled their children in Reformed colleges. All of those present were convinced of the need to express the reign of Christ in higher education. This group, composed of believers from various Reformed churches, was convinced that establishing and maintaining a college committed to biblical principles would greatly benefit the diverse community and the Reformed congregations in the Pacific region.

On several occasions, from the 1960s onward, the establishment of such a college was discussed but, for various reasons, never realized. The need, however, for a Reformed Christian college on the West Coast, never diminished. Parents and young people are often hesitant to travel great distances to the nearest Reformed college. Moreover, the West Coast has a significant number of students who would profit from a specifically Reformed, biblical perspective in their college education. The original group was motivated to establish Providence Christian College because of its desire to meet those needs.

This group unanimously agreed to establish a quality, four-year liberal arts program that would reflect the lordship of Jesus Christ from a visibly Reformed, biblical perspective in all aspects of its life and learning. All programs would then be taught in accordance with the Bible, God’s infallible and inerrant Word, as it is interpreted by the Reformed Standards: The Belgic Confession, The Heidelberg Catechism, The Canons of Dort, The Westminster Confession of Faith, and The Westminster Larger and Shorter Catechisms. In addition, the group agreed that the college should be governed by a self-perpetuating board of directors whose members would be drawn from various Reformed and Presbyterian churches; those who embrace the Word of God, the Reformed Standards, and the Purpose Statement of Providence Christian College.

The College was incorporated in the state of California on November 12, 2002, and the first Providence Christian College Board of Directors meeting was held on January 18, 2003. The following January, Providence took full possession of a campus in Ontario, California, and began renovating its five main buildings into classrooms, dorms, a library, a dining hall, and administrative offices. The College was granted permission to operate as a degree-granting
institution in the state of California on December 9, 2004 by the Bureau for Private Post-Secondary and Vocational Education (BPPVE) with approval to offer bachelor’s degree programs.

Immediately following approval by the BPPVE, Providence Christian College began the process of seeking accreditation with the regional accrediting body, Western Association of Schools and Colleges (WASC). The College was granted eligibility status in December 2005. Candidacy status was granted in March 2009. The WASC commission granted Providence Christian College initial accreditation in March 2013.

Looking strategically towards the next phase in its development, on August 2, 2010, the College moved from its initial home in Ontario, California to its current campus in Pasadena, California.

**APPROVAL TO OPERATE AS A DEGREE GRANTING INSTITUTION**

Providence Christian College was granted approval by the Bureau for Private Postsecondary and Vocational Education (BPPVE) on December 9, 2004 to operate as a California postsecondary degree-granting institution. The BPPVE has since been reorganized as the Bureau for Private Postsecondary Education (BPPE).

Any questions a student may have regarding this catalog that have not been satisfactorily answered by the institution may be directed to the Bureau for Private Postsecondary Education at 2535 Capitol Oaks Drive, Suite 400, Sacramento, CA 95833, [www.bppe.ca.gov](http://www.bppe.ca.gov), toll-free telephone number (888)370-7589 or by fax (916)263-1897.

A student or any member of the public may file a complaint about this institution with the Bureau for Private Postsecondary Education by calling (888)370-7589 toll-free or by completing a complaint form, which can be obtained on the bureau’s internet website [www.bppe.ca.gov](http://www.bppe.ca.gov).

**ACCREDITATION**

Providence Christian College is accredited by the Accrediting Commission for Senior Colleges and Universities of the Western Association of Schools and Colleges (WASC), 985 Atlantic Avenue, #100, Alameda, CA 94501, (510)748-9001.

**THE PROVIDENCE CHRISTIAN COLLEGE CAMPUS**

On January 4, 2019, Providence took up residence in the Playhouse District of Pasadena, California. This brings Providence in closer proximity to the educational and cultural resources of Los Angeles and Pasadena and also gives Providence room to grow substantially.
Set in the heart of Pasadena, the new decentralized campus spans the course of 4 city blocks. It features ample classroom space, a library, a sanctuary, administrative offices, and several dining options. However, the best resources available to Providence at the new campus are found in the surrounding area.

Since it is positioned less than a quarter mile from Pasadena City Hall and about 10 miles from downtown Los Angeles, the new campus affords Providence students easier access to the cultural wealth of both cities. Though Pasadena is known internationally for its annual Rose Parade and Rose Bowl game, it is also the home of Fuller Seminary, the Huntington Library and Art Gallery, the California Institute of Technology, and the Art Center College of Design among other institutions of higher learning. The College has emphasized visiting places such as these since its inception, so it is a blessing to have the opportunity to move nearer to the source of much of southern California's culture. Pasadena's natural beauty and cultural centers will increase Providence's ability to fulfill its institutional goals.

**Witherspoon Hall**

Witherspoon Hall, formerly First Congregational Church, serves as the heart of the Providence campus as it provides a sanctuary for Chapel, administrative and faculty offices, library space, classroom space, practice rooms and a study area for students of Providence Christian College. Students and faculty meet on the first and second floors. Wired and wireless internet access is available campus wide, including all classrooms.

**Providence Village**

One block north of Witherspoon Hall, resident students live in newly renovated apartments. Students eat their meals at several locations in the area, including Ambrose Café, Simply Gourmet Plus (a.k.a. Fuller Refectory), Tender Greens, and Urth Café, where they are able to use their college meal dollars.

**Tocqueville Library**

The Ten Boom Library has a collection of 51,000 books and 40 periodical subscriptions. The library has many resources for cultural studies, some of which are not commonly found in other libraries. This collection is augmented by an additional 8,300 online periodicals (over 4,600 full text), over 70,000 electronic books, inter-library loan service, and several cooperative borrowing agreements with nearby libraries. The on-campus library has dedicated computer stations and wireless Internet access.

Library materials may be checked out using Providence student ID. Electronic access is available both on campus and remotely. The reference room and circulation desk can be found on the second floor of Witherspoon Hall, while the stacks can be found in the basement of Witherspoon Hall. Special hours may be set for final exam weeks, breaks, holidays, and vacations. Regular hours are as follows:
Monday to Thursday: 8am. to 9pm.
Friday: 8am. to 5pm.
Saturday: 12pm to 4pm.
Sunday: Closed

**ACADEMIC RESOURCE CENTER (ARC)**

The Academic Resource Center, located on the second floor of Witherspoon Hall, offers academic support and career planning services. ARC staff members help and encourage Providence students to grow academically and consider God's call in their lives.

The Academic Resource Center offers:

- New student orientation sessions.
- Study sessions led by ARC staff.
- Discussion groups with staff and faculty.
- Weekly meetings with individual students for academic guidance based upon individual request, faculty, or admissions department recommendation.
- Writing help: Students can email their papers for review or bring their papers to the ARC for an individual writing conference.
- Career services, including a job board and workshops on resumes, cover letters, job search, and interview skills.
- A mentorship program.
- Disability services.

**WRITING CENTER**

The Writing Center, located on the second floor of Witherspoon Hall, offers academic support specifically for student writing and research of all levels. Students can book individual or group appointments with staff in the Writing Center, where staff can assist students with:

- navigating library resources
- utilizing research in collegiate academic papers
- drafting thesis statements & research papers
- paper review feedback
- creating presentations
- resumes, job & graduate school applications
FEDERAL/STATE LAW COMPLIANCE*

AMERICANS WITH DISABILITIES ACT
Providence Christian College complies with the requirements of the Americans with Disability Act (ADA 1990) specifically in the areas of housing, education, and employment. If specific accommodations are needed, the student needs to speak with the Director of Student Life before the end of orientation.

FERPA
The Family Educational Rights and Privacy Act of 1974 (FERPA) was designed to transfer parental “rights” to their “adult” children when they enroll in college and, therein, protect the privacy of education records and provide guidelines for the correction of inaccurate or misleading data through informal and formal hearings (see catalog pages 38-39 for more information). Questions about FERPA should be referred to the Registrar’s Office. The College intends to uphold both the letter and spirit of FERPA, while at the same time upholding Biblical relationships and responsibilities of the family.

As general practice, the College does not inform parents and other students of disciplinary action taken toward students. However, the College encourages students to communicate openly and honestly with their parents about disciplinary matters. Even though students are legally and morally responsible for their conduct, the College also recognizes the concern of parents for the welfare of their children. Thus, the College reserves the right to notify parents under the following conditions:

- Medical treatment or psychiatric examination required to meet emergencies or to maintain one’s status as a student.
- Misconduct that is of such a nature that the student is in danger of suspension or expulsion.
- Extended absence or withdrawal from the College.

Providence designates the following categories of student information as public or “directory information.” The College reserves the right to disclose such information at its discretion, unless requested not to in writing by the student. Requests are to be filed with the Registrar’s Office prior to September 15 each year, or February 1 for students entering the College in the spring semester.

- Name, address, telephone number, e-mail address, dates of attendance, class, and photograph.
- Previous institution(s) attended, major field of study, awards, scholarships, honors, and degrees conferred (including dates).
- Past and present participation in officially recognized sports and activities, physical factors (height and weight of athletes), date and place of birth.
• Home and local/student church membership, including church denomination.

**NON-DISCRIMINATION POLICY**

Providence Christian College does not unlawfully discriminate against anyone based on race, color, national origin, ethnicity, gender, age, military service status, physical or mental disability, and/or medical condition.

*More information relating to college policies and law compliance can be found in the student handbook online or by requesting a copy from the Director of Student Life.

**VETERANS BENEFITS AND Transition Act of 2018**

Providence Christian College is in compliance with the requirements of 38 U.S.C. 3679 as of August 1, 2019.
ADMISSION TO THE COLLEGE

CAMPUS VISITS

Students interested in attending Providence Christian College are welcome to visit the campus at any time. Students are especially encouraged to sign up to visit the campus during one of the Campus Visit Days, which take place in the fall and spring. These visits provide students with information about academic and student life at Providence, the opportunity to visit classes when possible, eat meals in the dining hall, and stay overnight in the residence halls. Schedules and additional information about campus visits are available on the Providence website www.providencecc.edu or by telephoning the Office of Admissions and Records (866)323-0233.

APPLICATION PROCEDURE

Providence Christian College encourages any member of God’s covenant community who desires a Christ-centered college education to apply. Applicants must make a credible profession of faith in Jesus Christ as Lord and Savior. A credible profession, for example, would agree with the affirmations made in the Apostles’ Creed or one of the other historic ecumenical Christian creeds.

Applicants whose high school program does not meet the standards for regular admission to Providence may be admitted on a provisional basis in accord with the College’s admissions policy. Providence Christian College reserves the right to deny admission to any student that the admissions review committee believes would be detrimental to the resources of the College and/or its overall community.

Providence Christian College does not unlawfully discriminate against anyone based on race, color, national origin, ethnicity, gender, age, military service status, physical or mental disability, and/or medical condition.

High school students should apply for admission during the first semester of their senior year. Applications will be considered according to the following calendar:

August 15  Final application deadline for fall enrollment
October 1  Application due for spring enrollment
December 15  Final application deadline for spring enrollment

Applicants will be notified concerning admission as soon as possible after the Office of Admissions and records receives the following:

1. A completed online Providence Christian College application for admission form (available at www.providencecc.edu)
2. A high school or home schooling association transcript (or an academic portfolio and verification that a high school homeschooling program has been completed), or results from the General Educational Development Examination (GED) or the California High School Proficiency Exam (CHSPE) (Note that an official, signed, final transcript will be required upon completion of senior year.)
3. Official transcripts from any and all college(s) attended
4. A copy of the ACT, SAT, or CLT test results
5. A copy of exam scores from any AP, IB, or CLEP courses sent by the College Testing Service

All documents and supporting data required for admission become the property of Providence Christian College and will not be returned to the applicant.

**Additional Application Procedures for Canadian Students**

Canadian students are welcome to apply to Providence Christian College and should begin the admissions process well in advance of their start date. In addition to the documents cited above, Canadian students will also be asked to provide the following information in order to complete their paperwork for the I-20 (Certificate of Eligibility for Non-immigrant Student Status – For Academic and Language Student):

1. Student Data Form for SEVIS (Student and Exchange Visitor Information System)
2. Financial Resources Statement and Scholarship with official documentation

In order to study in the United States, most non-U.S. citizens will need an I-20. The process for obtaining it begins after the student has been admitted by Providence. In addition to other visa requirements, Canadian students must show evidence of sufficient funds for tuition and living expenses during the period of intended study, as well as evidence of strong ties abroad.
**TESTING INFORMATION**

Prospective first-year students are advised to take the American College Test (ACT) or Scholastic Aptitude Test (SAT) during the spring semester of their junior year or in the fall of their senior year. Registration for these tests takes place at least one month prior to the testing dates.

Both tests are given several times each year, and registration forms are generally available from high school principals and counselors. Register online for the ACT or request individual registration by mail packets from the American College Testing Program at www.act.org. Register online for the SAT at www.collegeboard.com. The Classic Learning Test (CLT) offers an alternative to the SAT and ACT and is also acceptable for admission to Providence. More information and registration can be found at www.cltexam.com.

**ADMISSION INTO THE COLLEGE**

Permission to matriculate as students at Providence Christian College is granted to applicants who provide evidence of those qualities of mind and purpose that are required for a liberal arts college education, and whose personal qualifications provide assurance that they will be responsible and contributing members of a college community committed to the lordship of Jesus Christ. Qualities of mind are demonstrated by the breadth and quality of high school preparation. Among considerations that help determine purpose and dedication are the application questions and/or an interview.

Regular admission will be granted to an applicant with (a) a high school diploma, or (b) a homeschooling association final transcript (or an academic portfolio and verification that a high school homeschooling program has been completed), representing a minimum of 16 units of coursework (each unit representing one year of satisfactory work in a subject) and reflecting the following standards.

1. English (college preparatory with grades of C+ or above in each year or unit) 3 units
2. Mathematics (Algebra I & II and Geometry with grades of C+ or above in each course) 3 units
3. History/Social Sciences 3 units
4. Science (Biology, Chemistry, or Physics) (One must be a lab science) 2 units
5. Foreign Language (with a grade of C or above in the final year) 2 units

<table>

</tr>
</tbody>
</table>
*Providence Christian College does not yet recognize the scores for the written portions of these tests because of the lack of statistical data to create solid benchmarks. The highest ACT score is a 36. The highest SAT Reasoning Test score recognized is a 1600.

Provisional admission may be given to (a) high school or home school graduates who do not meet the coursework or test score standards listed above, or (b) students who have not graduated from high school, but have successfully completed the GED, or (c) students whose behavioral record and life experiences, as determined by the Admissions Review Committee and/or the Director of Student Life, warrant a “trial” period.

**ADMISSION OF TRANSFER STUDENTS**

The Registrar will work on a case-by-case basis with applicants seeking to transfer from other colleges or universities to determine how progress toward meeting the applicant’s academic goals can best be achieved.

Transfer students must follow the same application procedures as first-year students. Official transcripts from all previous colleges attended must be received prior to consideration for admission. ACT or SAT test results are also required for transfer applicants with fewer than two years of college. The required minimum cumulative grade point average is 2.0 for students transferring from a four-year institution and 2.5 for students transferring from a two-year institution. The Admissions Committee reviews applicants with averages below the standard, or with lower scores, or with fewer college preparatory courses in their high school programs. Some of these applicants may be admitted under special conditions.

Students may transfer up to 64 credits (4 semesters) from their community college. Students who receive an AA degree from an accredited community college may be granted junior standing upon presentation of a certified transcript and upon the Registrar’s evaluation of courses that will properly transfer. Departments may also evaluate courses to be transferred. Students may need to complete core requirements not met by transfer courses. Those students who wish to appeal the Registrar’s decision relating to transfer credits may petition the Academic Concerns Committee.

Transfer credit will normally be awarded for work done in accredited institutions within the last ten years. Those transferring from unaccredited institutions should contact the Providence Registrar’s Office. Coursework must be academic and similar in nature to courses offered at Providence Christian College. A minimum grade of “C” (2.00) is required in each course to receive credit. Ordinarily, no more than 64 (4 semesters) hours of credit will be granted for work completed at a community college. All students must complete their last year in residence and at least nine upper-division hours in their concentrations to graduate from Providence.
ADMISSION OF INTERNATIONAL STUDENTS

International students seeking admission to Providence Christian College should begin the process at least 12 months in advance of their target start date. International students will be considered for admission after the Office of Admissions and records receives the following:

1. A signed, and completed, Providence Christian College Application for Admission form
2. Student Data Form for SEVIS
3. A non-refundable US$25 application fee
4. Completed essays (statement of faith essay)
5. An official high school transcript and/or national exam test results. (If not in English, evaluated and translated by InCRED or a member of NACES)
6. Official transcripts from any and all college(s) attended. (If not in English, evaluated and translated by InCRED or a member of NACES)
7. Educational History
8. Proof of English language proficiency
9. A copy of the ACT or SAT Test results
10. Academic Reference
11. Pastoral Reference - Completed by either pastor, youth pastor, or an elder
12. Financial Resources Statement & Sponsorship—official documentation also required
13. Letter requesting financial aid (if needed)

At this time, Providence does not offer English courses for non-native speakers. Therefore, it is imperative that international students demonstrate English language proficiency. Students may take either the IELTS or TOEFL test. A telephone interview may also be required.

In order to study in the United States, most non-U.S. citizens will need an F-1 (non-immigrant) student visa. The process for obtaining the student visa begins after the student has been admitted by Providence. In addition to other visa requirements, international students must show evidence of sufficient funds for tuition and living expenses during the period of intended study as well as evidence of strong ties abroad. Besides tuition and cost of living, Providence also requires a security deposit. Contact the Admissions Department at Providence for more details and for more information on additional requirements.

ENROLLMENT DEPOSIT

An enrollment deposit of $100 is required of all incoming students. This deposit serves as a confirmation of the student’s plans to enroll and is applied toward the housing deposit (for students living on campus) and tuition charges. Deposits are due May 1 for the fall semester, on November 1 for the spring semester, and within 15 days of acceptance of the financial aid package.
for those who have been accepted after the deposit deadline. The enrollment deposit is non-refundable after the due date.

**ADVANCED COLLEGE CREDIT**

To accelerate opportunities for taking higher-level courses, students can earn advanced college credit in any one of three ways:

1. **Advanced Placement.** At the time of admission, first-year students may submit scores from an Advanced Placement (AP) Examination conducted by the College Board. The minimum acceptable score is from 3 to 5, depending on the test.
2. **College Level Examination Program (CLEP).** Credit is granted to students who receive a satisfactory score on the CLEP subject examinations of the College Board.
3. **International Baccalaureate (IB).** IB credit will be given to students who receive a grade of 5 or higher on higher-level classes. No credit will be given for subsidiary-level classes.

More detailed information on any of these options for advanced college credit is available in the Registrar’s Office. The College reserves the right to require the audit of a course for which advanced credit is given if the unique nature of the course as taught by Providence Christian College warrants. A maximum of 30 semester hours of credit may be obtained through the transfer of non-classroom-based instruction i.e., AP, CLEP, or IB courses completed prior to receiving a high school diploma with acceptable scores as listed above.

Presently, the subject exams that are accepted for Advanced Placement courses and CLEP are stated in the charts below.

**It is the student’s responsibility to have official scores sent to Providence. These scores should be sent prior to enrollment at Providence or as soon as the scores are available.**

The following two tables layout the accepted courses for AP exams and CLEP. The course equivalency is also noted; this is what the course transfers into Providence as if the minimum score is met. Courses with an asterisk (*) are classes in the CORE Liberal Studies Curriculum.

UNCLASSIFIED STUDENTS

Any person interested in taking courses for credit at Providence Christian College on a non-degree basis may qualify to do so as an unclassified student by completing the appropriate application form.

High school students may enroll as unclassified students provided they have 1) a cumulative high school GPA of 3.0 or above on a 4.0 scale, and 2) approval of their high school principal and parents. Normally, the high school will have a concurrent enrollment agreement with Providence. Students may earn college credit or dual enrollment credits as an unclassified student.

A maximum of six credits or two courses per semester may be taken as an unclassified student. Credits may be transferable to other colleges and universities, particularly those with which Providence has articulation agreements.

A student cannot receive a degree from Providence Christian College as an unclassified student. If, at a later date, an unclassified student decides to work toward a degree at Providence, the student may apply for regular admission. Up to 16 credits earned as an unclassified student may be applied toward a degree. Financial aid is not available for unclassified students.

CONCURRENT ENROLLMENT POLICY

The main purpose of accepting concurrent enrollment credit is to allow students to accelerate their college program rather than to seek exemptions from courses. To receive concurrent enrollment credit, a student must have taken the course at Providence, or the course must be documented on a valid college transcript from a regionally accredited college. For a course to count toward dual enrollment, a student must have a B- (2.7) or higher in the course. Other guidelines related to transfer courses apply.

Graduation Fee\(^12\) $100/one-time
Books\(^13\) Varies
Late Registration Fee\(^14\) $50
Parking\(^15\) $280/semester or $560/year

\(^1\) Resident students must pay the required security deposit. The deposit will be refunded when the student ceases to be a resident student (e.g. moves off-campus, terminates enrollment) providing that all housing policies have been adhered to properly and any and all related fees/fines have been paid.

\(^2\) All students enrolled must pay a $100 security deposit to be maintained for the duration of their time at Providence. The deposit will be refunded when the student terminates enrollment, providing that all fines (e.g. library, parking) have been paid and the student account is in good standing.

\(^3\) All returning students who wish to reserve on-campus housing for the following year must submit a $250 deposit with a completed housing application. This deposit will be applied to room charges for the fall semester. Deposits are only refundable if a request is made in writing to the business office prior to June 1\(^*\). A $25 late fee applies for deposits received after June 1.

\(^4\) The new student orientation fee is a one-time fee to help cover the cost for the student orientation activities.

\(^*\) Students who come in after the fall semester will be charged a prorated of $150.

\(^5\) The Student Activity Fee is applied each semester toward the expenses of dorm/res life events, student senate activities, clubs, and co-curricular activities, including athletic leagues and intramurals.

\(^6\) The Student Services Fee is applied each semester and covers student related technology services/support, postal services, cashiers office, and campus safety, among other student services. Student fees charged accordingly, for-credit or audit: $0<1 credit, 50% of SAC and SS if >1 or =6 credits, 100% of SAC and SS if >6 credits

\(^7\) The enrollment deposit serves as a confirmation of a student’s plan to enroll and is applied toward charges on the students account for the coming semester. Deposits are due by May 1 for the fall and November 1 for the spring, and within 10 days of acceptance for students accepted after the deposit due dates. Deposits are only refundable if a request is made in writing to the business office prior to the due date.
8 All full time students are required to have personal medical insurance coverage and will show proof of coverage at the beginning of each semester during registration.

9 All student athletes will be charged this annual fee at the first semester enrolled each year.

10 Some courses, e.g. labs, may have additional fees associated with them in addition to normal tuition charges. Fees will be listed on Populi for each course as applicable.

11 Individual music lessons may be offered each semester. The following are estimated costs and will be determined on an individual basis. For 1 credit hour, students meet for 13 half-hour lessons; two credit hours would meet for an hour. If a student is part-time or at an overload (>20 units), tuition is charged plus the lesson fee.

12 This fee is mandatory regardless of whether he/she intends to participate in the commencement activities. An Intent to Graduate form must be cleared by the first of the month prior to graduation or commencement, whichever comes first.

13 Students may purchase textbooks and other supporting materials online through various outside sources. A booklist of required course texts for each course, including tips for book buying, is available on Populi.

14 Students who do not register online by the deadline set by the Registrar will be charged a late fee.

15 Parking is at a premium and only available at the discretion of the college. Parking provided by Providence is not available to resident students who have not earned at least 30 credits by the end of their previous semester.

**DEPOSITS**

Enrollment Deposit – All Students\(^1\) $100

Security Deposit – All Students\(^2\) $100

Housing Security Deposit – Residence Hall\(^3\) $400

Housing Reservation Deposit\(^4\) $250

\(^1\) The enrollment deposit serves as a confirmation of a student’s plan to enroll and is applied toward charges on the student account for the upcoming semester. Deposits are due by May 1 for the fall semester, November 1 for the spring semester, and within ten days of acceptance for students who have been accepted after the deposit deadline. Deposits are only refundable if a request is made in writing to the business office prior to the due date.

\(^2\) All students registering at Providence must pay a $100 security deposit at registration that is to be maintained for the duration of the student’s attendance at Providence. This deposit will be refunded when the student terminates enrollment, providing that all fines (e.g., parking, library) have been paid and the student account is in good standing.

\(^3\) All resident students enrolled must pay a $400 security deposit to be maintained for the duration of their time at Providence as residents. The deposit will be refunded when the student ceases to be a resident student (e.g. moves off-campus, terminates enrollment) providing that all housing policies have been adhered to properly and any and all related fees/fines have been paid.

\(^4\) All returning students who wish to reserve on-campus housing for the following year must submit a $250 deposit with a completed housing application. This deposit will be applied to room charges for the fall semester. Deposits are only refundable if a request is made in writing to the business office prior to June 1\(^6\). A $25 late fee applies for deposits received after June 1.
Charges for the current semester must be paid in full before registration for the following semester.

**Cost of Attendance**

Financial Aid eligibility considers both direct costs (tuition, fees, on-campus room and board) and indirect costs (books and supplies, transportation and miscellaneous personal items). Those combined expenses equal the student’s Cost of Attendance (COA). Tuition, Room & Board, and fees are listed above. Books and supplies can range from $1,000 to $1,500 depending on the course taken, transportation ranges from $2,093, and miscellaneous personal items can range from $2,038 to $3,884 depending on if a student lives on or off campus, with parents or without.
FINANCIAL AID

Providence Christian College provides financial assistance through scholarships, grants, loans and student employment opportunities. A high percentage of Providence students will receive aid to help them pay for the cost of their education. All students who wish to be considered for financial aid are required to fill out the Free Application for Federal Student Aid (FAFSA) and the Virtual Financial Aid Office (VFAO) Financial Aid Interview, which is located in the financial aid section of the Providence Christian College website. These tools help the College assess each student’s financial need. In addition to those listed above, students who are pursuing scholarships and certain grants must fill out the appropriate scholarship and grant applications. Financial aid applications must be completed by March 1 to receive the maximum financial assistance available. All students must reapply every academic year for financial aid. Providence Christian College follows procedures approved by the US Department of Education in packaging financial aid from federal, state, and college sources.

SCHOLARSHIPS

ACADEMIC MERIT SCHOLARSHIPS

Scholarships are given for proven academic performance in high school. These scholarships take into account SAT/ACT scores (critical reading + math scores only) and high school GPA, they range from $1,000 to $15,000. The Academic Merit Scholarship is renewable upon the recipient maintaining an acceptable institutional GPA at Providence.

Students must maintain the following minimum cumulative GPA each year in order to renew their academic scholarship:

\[
\begin{align*}
2.7-3.24 \text{ high school GPA} & = 2.0 \text{ college GPA} \\
3.25-3.74 \text{ high school GPA} & = 2.5 \text{ college GPA} \\
3.75+ \text{ high school GPA} & = 3.0 \text{ college GPA}
\end{align*}
\]

If a student’s cumulative GPA drops below the above standards at the end of the year, the student will lose his/her scholarship. If the student raises their cumulative GPA to the above standards in one of the following years at Providence, re-application for the scholarship is possible.

Transfer students are also eligible for the Academic Merit Scholarship. Academic GPA from any and all colleges attended will be taken into consideration as well as high school GPA and SAT or ACT scores.
**Athletic Scholarship**

Please note that the athletic scholarship takes into consideration academic, athletic, leadership, and other scholarship awards and, therefore, cannot be stacked with other scholarships. For more information specific to your scholarship, please contact the head coach of the sport for which you have been awarded.

**Christian Leadership Scholarships**

Scholarships are awarded to students who have demonstrated Christian Leadership in the following areas: Chorale, Drama, Ministry Service, Student Publications, Student Government, Chapel Leadership, Instrumental, and Piano/Keyboard.

To apply for the scholarship, students must fill out the additional question on the essay portion of the Application for Admission pertaining to the area of Christian Leadership for which they would like to apply, citing what they have accomplished in that area. Awards from $500-$2,500 may be granted dependent upon demonstrated Christian leadership and essay. These scholarships are renewable each year based on the student’s continued positive leadership in that area.

**Faculty Select Scholarship**

Scholarships will be awarded to juniors and seniors at Providence who embody and exemplify the qualities the faculty desires in a Providence student. The award will be based upon college academic performance at Providence as well as leadership and service in the community. An applicant’s marked academic improvement while at Providence will also be taken into consideration. To apply, sophomore and junior students must have completed one full semester at Providence and submit a Faculty Senate Scholarship application, including completing the essay questions. These applications will be reviewed by the Faculty Senate. The senate members may also nominate any student they deem appropriate who has not applied to be considered for the scholarship. They will determine the number and size of the awards offered in each division. After the initial awarding, junior students may renew the scholarship for an additional year, contingent upon faculty approval, which will take into consideration the maintenance of a 3.0 cumulative GPA and demonstrated leadership and service.

**Multi-Cultural Scholarship**

Providence Christian College values diversity and desires to celebrate such cultural diversity, especially in our college community. In an effort to develop diversity in its community, Providence offers Multi-Cultural Scholarships to first-year students. These scholarship awards range from $1,000 to $4,000 and are renewable assuming the student reapplies each year.
To apply, a student must complete the Multi-Cultural Scholarship application and essay, must have maintained a 2.5 GPA prior to coming to Providence, and must be from an underrepresented ethnic group OR an international student. During the reapplication process, students will be evaluated regarding their involvement in campus activities and clubs, specifically in the development of cultural sensitivity in the campus community.

**CHRISTIAN SCHOOL SCHOLARSHIP**

In an effort to recognize the importance of continued higher education from a Christian perspective, Providence will award a scholarship up to $5,000 (approximately 20% the cost of tuition) to students who have attended a Christian school. This scholarship is renewable each year. Schools with either CSI or ACSI affiliation will be granted the scholarship. Other Christian schools will be considered on a case-by-case basis by contacting your admissions counselor.

Students are eligible for only one of the following scholarships: Homeschool, Christian school, or Reformed.

**HOMESCHOOL SCHOLARSHIP**

Each year at Providence, approximately 25-35% of our student body come from homeschooled backgrounds. In an effort to recognize the excellent preparedness of these students for the tutorial style education they received, Providence will award a renewable scholarship ranging from $1,000-$5,000 to students who have been homeschooled for all or part of high school. In order to be eligible for the scholarship, students must simply apply to Providence and submit homeschool transcripts.

Students are eligible for only one of the following scholarships: Homeschool, Christian school, or Reformed.

**REFORMED SCHOLARSHIP**

In an effort to recognize the importance of continued higher education from a Reformed, biblical perspective, Providence will award a scholarship up to $5,000 (approximately 20% the cost of tuition) to students whose home church or high school is confessionally Reformed.

This scholarship is renewable each year. Denominations eligible for this scholarship include: United Reformed Church (URC), Christian Reformed Church (CRC), Reformed Church of America (RCA), Canadian Reformed Church (CanRC), Orthodox Presbyterian Church (OPC), Presbyterian Church in America (PCA), Reformed Church in the United States (RCUS), Protestant Reformed (PR), Reformed Presbyterian Church of North America (RPCNA), Bible Presbyterian, and Reformed Baptist. Christian Schools International (CSI) High Schools qualify as Reformed high schools, and other schools and denominations will be considered on a case-by-case basis.
Students are eligible for only one of the following scholarships: Homeschool, Christian school or Reformed.

**OUTSIDE SCHOLARSHIPS**

It is the responsibility of the student to notify Providence Christian College if they are awarded any additional scholarships from an outside source after they have been awarded their financial aid package. After the scholarship amount is verified, an adjusted award package may be given.

**FEDERAL GRANTS**

**FEDERAL PELL GRANT**

The Federal Pell Grant is a need-based grant available to students who qualify by completing the FAFSA. This grant is available to students who demonstrate a financial need as determined by the Free Application for Federal Student Aid (FAFSA). Application is made by completing the form and releasing the results to Providence Christian College. Applicants must be U.S. citizens. Continued eligibility is based on the recipient demonstrating financial need each year according to the FAFSA and maintaining satisfactory academic progress. Amounts vary from $652 – $6195.

**FEDERAL SUPPLEMENTAL EDUCATIONAL OPPORTUNITY GRANT**

The Federal Supplemental Educational Opportunity Grant is a need-based grant available to students who qualify by being eligible for the Federal Pell Grant.

**INSTITUTIONAL GRANTS**

**COLLEGE AID GRANT**

This grant is available to students who demonstrate a financial need based on the FAFSA. The amounts of this grant vary greatly as financial need among families also varies greatly. This grant is renewable for all four years based on a yearly resubmission of the FAFSA.

**TRAVEL GRANT**

This grant is automatically awarded to all students whose home residence is in the state of California and lives more than 300 miles from Pasadena. The amount of the grant is $300. All students whose home residence is outside the state of California will receive a grant between $300-$800 based on distance from the College. The scholarship amount is determined by the financial aid office and this is renewable based on the declared home residence of the student. Applicants need not apply for this grant; it is awarded automatically based upon the student's declared permanent residence.
**Christian Ministry Grant**

Students whose parents or legal guardians are employed as full-time Christian ministry workers may receive a Christian Ministry Grant. The Christian Ministry Verification Form available on the college website under the financial aid section. This grant is need-based, and the amounts vary. It is renewable upon resubmission of the Christian Ministry Verification Form.

**Canadian Exchange Rate Grant**

This grant is available to students and families who earn wages in Canadian dollars. A grant of $1000-$3000 will be awarded to Canadian students based on the current status of the Canadian dollar compared to the US dollar and the results of the Canadian Financial Aid Form.

**State Grants**

**Cal Grants**

Providence students are eligible to receive the Cal Grant, depending on need and merit. For exact details on the Cal Grant stipulations and deadline information, please visit: http://www.calgrants.org/

The deadline for submission is March 2.

**Loans**

Providence participates in the Federal Direct Loan Program. This program offers both subsidized and unsubsidized loans. There are two categories of a Federal Direct loan: subsidized and unsubsidized. With a subsidized loan, the government pays the interest while the student is in college. With an unsubsidized loan, the student is responsible for interest while in college. Payments for Federal Direct loans begin six months after the student drops below six credit hours or after graduation.

Direct Loan limits are as follows:

- Freshman: $5500
- Sophomores: $6500
- Juniors/Seniors: $7500

Please note: Independent freshmen and sophomores may qualify for an additional $4000 in unsubsidized loans. Juniors and seniors may qualify for an additional $5000 in unsubsidized loans. Student loans as well as Parent PLUS loans are available.
These loans are called “direct” because the student and/or parent are borrowing directly from the US Department of Education. In order to see if you qualify to receive any of these loans you will need to complete the FAFSA (Free Application for Student Aid) as well as the VFAO (Virtual Financial Aid Office) application. To be eligible for Direct Loans, you must be enrolled in school at least half-time and meet general eligibility requirements for the Federal Student Aid programs. New borrowers must complete a Federal Direct Loan electronic master promissory note to borrow funds through this program.

If a student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. If the student has received federal student financial aid funds, the student is entitled to a refund of the monies not paid from federal student financial aid program funds.

**Subsidized Loan**

The subsidized loan provides for students with financial need as determined by federal regulations. This subsidized loan will not accrue interest while the student is enrolled in school at least half time, or during the student’s grace and deferment periods.

**Unsubsidized Loan**

The unsubsidized loans are disbursed to students without concern for need. These loans accrue interest during all periods.

**Parent PLUS Loans**

Plus loans are offered to parents of dependent college students to help meet college costs. Plus loans allow parents of dependent students to apply for as much as the difference between the cost of education and the student’s financial aid. The loan is not need based, but the parent’s credit history may be reviewed to determine eligibility. The Plus loan should be used only after all other resources have been considered since interest begins 60 days after the first disbursement. Repayment normally begins 60 days after the full amount you’ve borrowed for a school year has been disbursed.

**Student Employment**

At Providence Christian College, student employment serves to assist in the educational program of the College by providing financial resources for the students to help pay for college and by training students to be effective Christian employees to impact the world for God. Filling out a student employment application does not guarantee employment. See website and student employment handbook for more specific information regarding student employment.
FINANCIAL AID AWARDING POLICIES

The Financial Aid Office strives to award all applicants the maximum grant, scholarship, loan, and work-study aid for which they qualify. However, federal, state, and/or institutional guidelines may restrict the total amount or type of award a student may receive.

Institutional Aid is determined based on both merit and demonstrated need. Institutional aid is comprised of all scholarships and grants awarded by the college. The college reserves the right to change institutional financial aid should the status of a student change. Please be aware that any changes in federal aid, outside scholarships, number of credits taken per semester, or housing status may impact your financial aid eligibility. For example, if you change from on-campus to off-campus your estimated Cost Of Attendance (COA) will be reduced as the estimated COA for living off-campus is less than the estimated COA for living on-campus. In turn, your financial aid eligibility will be reduced. Depending on your aid eligibility, grants/scholarships, loans or work-study opportunities may be reduced. In nearly every case, if you are offered a Providence Grant or Scholarship that award will be adjusted.

Aid will be stacked in the following order (unless otherwise stated):

- Federal Grants
- State Grants
- Outside Aid (depending on what the scholarship/award is designated to help cover)
- Institutional Aid, in the following order:
  - Athletic Scholarship (no stacking of other institutional scholarships / grants)
  - Early Application Scholarship
  - Academic Merit Scholarship
  - Reformed, Christian School or Homeschool Scholarship
  - Christian Leadership Scholarship or Multicultural Scholarship
  - Christian Ministry Grant
  - Travel Grant
  - Sibling Grant
  - Canadian Exchange Rate Grant Direct Subsidized Student Loan
- Direct Unsubsidized Student Loan
- PLUS Loan – Parent
- Alternative Loan

Step 1 – Cost of Attendance

Financial aid cannot stack above Cost of Attendance (COA.)

Step 2 – Institutional Aid

Providence scholarships and grants cannot stack above tuition.
**Student Complaint Process**

An individual may contact the Bureau for Private Postsecondary Education for review of a complaint. The bureau may be contacted at 2535 Capitol Oaks Drive, Suite 400, Sacramento, CA 95833 or http://www.bppe.ca.gov or telephone: (916) 431-6924, fax: (916) 263-1897

**SATISFACTORY ACADEMIC PROGRESS**

The standards for satisfactory academic progress policy are found within the guidelines set forth in the Federal Student Aid Handbook. Federal regulations require that students maintain satisfactory academic progress in order to continue to receive financial aid. A student must be enrolled as a degree seeking student and must demonstrate satisfactory academic progress each semester. Providence Christian College also requires satisfactory progress for all institutionally controlled financial aid.

A student must earn 128 total credit hours to graduate. The minimum expected standard for full-time is 12 hours per semester; however, the average course load is ordinarily 15-16 credit hours per semester. The maximum time frame allowed is 12 semesters for a traditional full-time student. This applies both to the federal financial aid program and Providence institutional aid in the form of scholarships and grants.

A student must continue to make satisfactory academic progress according to both the qualitative and quantitative standards as described below:

a. Qualitative measure is based on cumulative GPA. To maintain satisfactory academic progress to receive financial aid, a student must maintain the following minimum grade point averages.

<table>
<thead>
<tr>
<th>Cumulative Hours Attempted</th>
<th>Minimum GPA Required By the end of each grouping</th>
</tr>
</thead>
<tbody>
<tr>
<td>Freshman 0 – 31</td>
<td>1.50</td>
</tr>
<tr>
<td>Sophomore 32 – 63</td>
<td>2.00</td>
</tr>
<tr>
<td>Junior 64 – 95</td>
<td>2.00</td>
</tr>
<tr>
<td>Senior 96 + units</td>
<td>2.00</td>
</tr>
</tbody>
</table>

b. Quantitative measure is based on cumulative hours completed. To maintain satisfactory academic progress, a student must maintain a minimum of 50% successful completion rate for the first two semesters and 67% successful completion rate for each of the following semesters. When calculating a transfer student’s time frame, all credits that are accepted by Providence Christian College are included. For financial aid purposes a final withdrawal or an incomplete is considered as part of the total credits attempted and will affect the completion total.
- Full-time students (at least 21 credits per year) have six years of financial aid eligibility to complete the degree.
- Three quarter time students (at least 16 credits per year) have eight years of financial aid eligibility to complete the degree.
- Half-time students (at least 12 credits per year) have 12 years of financial aid eligibility to complete the degree.

c. Students who fall below either the qualitative or quantitative standards will be placed on probation. Providence Christian College calculates satisfactory progress at the end of the fall and spring semesters. Students who do not meet the requirements are put on warning for one semester. At the end of the warning semester, a student who does not meet satisfactory academic progress is denied financial aid until satisfactory academic progress is again obtained. This means no Federal Aid, College Aid, Academic Scholarship, Christian Leadership Scholarship, Faculty Senate Scholarship, Christian Ministry Grant or church grants.

**Satisfactory Academic Progress Appeal Process**

The federal government realizes that there are some special circumstances where there is a need to allow a student to appeal dismissal from financial aid. Extreme illness of the student, or illness or death of a family member are examples of instances where the government allows an appeal. Other circumstances are left up to the College to decide.

Providence Christian College Satisfactory Academic Progress Appeals are handled in the following manner:

- Students receive a letter from Providence’s Financial Aid Office letting them know that they have not maintained satisfactory academic progress and will not be eligible for financial aid the following semester. The letter includes the option of appeal and gives a deadline when the appeal must be received and what documentation must be included with the appeal.
- The appeals should be decided upon by a committee, not by one person. Because of this, the Scholarship Committee serves as the Satisfactory Academic Progress Appeals Committee.
- Students will receive a letter from the Scholarship Committee to report whether the appeal was accepted or denied. If denied, students are required to pay for classes on their own, without financial aid, until the required GPA and completion rates are obtained. Students who leave Providence Christian College and return after taking classes at another college can request that their completion of those classes be considered in determining their ability to return as aid-receiving students.
- The appeal does not change the student’s GPA or credit hours earned but may allow the student to receive aid while still below SAP standards. The student should contact the Registrar’s Office and determine an academic plan that could reestablish SAP.
FINANCIAL AID POLICY FOR PART-TIME STUDENTS

Anytime a student drops to part-time status either during the semester or between semesters, their financial aid will be adjusted accordingly and the financial aid package will be re-awarded. A student is considered full time if they are taking 12 or more credits and part-time if they are taking between 7-11 credits. A part-time financial aid award is one half of the full-time financial aid award. If a student drops to 6 credits or below they are considered less than part-time and are ineligible to receive any financial aid from Providence Christian College.

The financial aid award package covers the entire award year for both Fall and Spring semesters. If a student receives half of their original award due to a change in their enrollment status it is applied to each semester that they are part-time.

WITHDRAWAL FROM THE COLLEGE

Each student has the right to cancel the enrollment agreement or withdraw from the institution and obtain a refund of charges paid through attendance at the first class session or the 7th day after enrollment, whichever is later. You may cancel the enrollment agreement or withdraw from Providence Christian College and receive the applicable refund by providing a signed, written notice to the Registrar’s Office.

OFFICIAL WITHDRAWAL

Complete official withdrawal from Providence during the semester is permitted only if a course has not already been completed and the withdrawal occurs prior to the date designated on the college calendar as the last day to withdraw. If the withdrawal occurs after the official withdrawal date, a grade will be given for the course.

A student who, for any reason, finds it necessary to withdraw from the College during the course of the semester must complete the exit interview process and fill out a Withdrawal Request form available from the Registrar’s Office. Failure to comply with these regulations will result in failing grades being entered on the student’s record, and dismissal will be recorded as unofficial.

Ceasing to attend all courses will result in an unofficial withdrawal and may result in Return to Title IV processing as required by federal regulation. Refer to the Financial Information section of this catalog for additional information.

UNOFFICIAL WITHDRAWAL

An unofficial withdrawal is a student who does not successfully complete any of their courses (receives all F grades or I grades), ceased attending classes, and did not complete any coursework as of the 60% point of the semester without officially withdrawing from the College, as required. To unofficially withdraw is to completely withdraw from the College without following the published withdrawal policy.
For the purpose of determining whether a student has unofficially withdrawn, when a student leaves the College without notice, attendance records will be consulted to determine the last date of academically related activity. Any student who has ceased attending at least 5 consecutive instructional days for a class that meets more than once per week or 2 consecutive instructional days for class that meets once per week, prior to the 60% point of the academic term, will be deemed to have unofficially withdrawn from such courses. Instructors will inform the Director of Academic Student Success after a student has 3 consecutive and unexcused absences to reach out to the student to determine whether or not the student intends to remain enrolled at the college. If it is determined that a student does not intend to remain enrolled and the student cannot or will not complete the official withdrawal form and process, the institution will generate an unofficial withdrawal on behalf of the student.

**REFUNDS FOR WITHDRAWAL**

The last day of attendance entered by the instructor(s) will be considered the withdrawn date and will be used for performing the R2T4 calculations. The College will also look at other evidence of campus activities (e.g. activity dates, library access, and meals) to help determine an effective date for both Title IV and institutional refund purposes.

If an effective date cannot be accurately determined, the midpoint of the term will be used as the effective date. A different effective date may be used for refund purposes of institutional expenses (such as room, board, and fees) compared to Title IV funds when there are differences between the date the withdrawal was initiated compared to when the student completed the process and vacated campus. A student who is determined to have unofficially withdrawn may be required to repay a portion of the financial aid received for the term. All financial aid reductions are calculated based on formulas published by and used by software received from the Department of Education.

**RETURN OF TITLE IV FUNDS POLICY (R2T4)**

In accordance with Federal regulation 34CFR, section 668.22(a) of the Reauthorization of the Higher Education Act of 1965, students receiving Title IV funds (federal financial aid) who withdraw from or stop attending all courses may be required to return a portion of the Title IV funds they received. Title IV funds include all federal grants and loans. Students begin to earn Title IV funds beginning on the first day of each course enrolled. Students who are eligible for Title IV funds are awarded under the assumption that the student will attend school for the entire term, payment period, or period of enrollment. All Title IV funds “earned” by a student are in direct proportion to the length of time he/she remains enrolled.

All students receiving Title IV funds, who completely withdraw or cease attendance in their courses and earn a grade of F or I for all courses enrolled for the term, payment period, or enrollment period will be subject to a R2T4 calculation. The R2T4 calculation is based on the last reported date of attendance by the instructor or student-initiated withdrawal date. Once the R2T4 calculation is complete, the student may owe unearned federal aid to Providence Christian College or the federal government.
DETERMINATION OF WITHDRAWAL DATE

ATTENDANCE

Providence Christian College is not required to take attendance by the State of California or the Western Association of Colleges and Schools after the official census date for the course. However, federal regulations require that students attend courses on campus or participate in an academically related activity prior to the census date. Academic attendance will be verified by official course rosters submitted by instructors within 4 business days of the census date of each course enrolled.

NON-ATTENDANCE

If the student is reported by an instructor for “non-attendance” prior to the official census date, financial aid for the course(s) will be removed from the student’s account. The student’s date of withdrawal will be backdated to the day before the course(s) started and charges for the course(s) will be removed from the student’s account. If there is a balance left on a student’s account, it will be the responsibility of the student to pay the balance through Providence Christian College’s Business Office.

LEAVE OF ABSENCE

Students may request to take a leave of absence for one semester as per the Department of Education policy which states that the “Leave of Absence, together with any additional leaves of absence, must not exceed a total of 180 days in a 12-month period.” Students must keep this in mind when requesting a leave of absence as after the 180 day mark is reached the student is considered withdrawn for financial aid purposes. Requests should be made to the Registrar’s Office and require college approval. Forms are available from the Registrar’s Office and must be completed prior to the student’s absence from the College. Failure to complete the required form, or to register at the end of the approved leave, will result in the student having to reapply to Providence and comply with any applicable changes in admissions, financial aid, and graduation requirements.

If a student is approved for a leave of absence during the academic year, it is the student’s responsibility to meet with the financial aid office to adjust aid appropriately. The financial aid office will complete any return calculations if necessary. If the student has borrowed Federal Direct Loans, students will go into repayment after six months or less than half time enrollment, if they have not returned from their leave of absence. Failing to return from a leave of absence may adjust the student’s repayment terms, including the expiration of the student’s grace period. Students must complete their exit counseling at www.studentloans.gov upon ceasing attendance between terms.
**WITHDRAWAL**

For Title IV purposes, the last date of academic attendance is one of the following:

- The date the formal withdrawal process begins OR
- The date the student otherwise gives officials notice of intent to withdraw (e.g. letter, withdrawal form, in-person, or verbally) OR
- The last documented date of attendance in an academically-related activity (e.g. documented attendance in a course, lab, or submission of an assignment in an on-line course) OR
- In the event that a student is receiving Title IV aid at the time of his or her death, Providence Christian College will determine the official withdrawal date, no later than the date of death, and will calculate and return the unearned portion of funds to the appropriate federal programs. Any balance remaining on the student’s account at Providence Christian College will be covered by institutional funds.

**CALCULATION AND DETERMINATION OF FEDERAL AID EARNED**

The student receiving Title IV funds is required to complete a minimum number of hours for which aid was received. Although aid is posted to the student’s account at the census date of each payment period, the funds are earned as the payment period is completed. If the student completely withdraws from school during the payment period, withdraws from all courses that are eligible for Title IV funds, but remains in courses which are not paid by Title IV funds, or quits attending, but fails to officially withdraw, the student may be required to return the unearned part of the funds which were received during the payment period. Liability for return of Federal Title IV funds will be determined according to the following guidelines:

1. If the student remains enrolled and attends courses for more than 60% of the payment period in which aid is received, all federal aid is considered earned and not subject to this policy.
2. If the student completely withdraws from all Title IV eligible courses before completing more than 60% of the semester, a pro-rated portion of the federal aid received must be returned to the federal aid programs equal to the percentage of the semester remaining.
3. If all eligible aid was not already disbursed to the student before the student withdrew, the earned portion of aid will be paid to the student as a post-withdrawal disbursement within 30 days of the Date of Determination the student has withdrawn.
4. If the student does not officially withdraw from courses, and stops attending all courses, a pro-rated portion of the federal aid received, based on the documented last date of attendance, must be returned to the federal aid programs. If the college is unable to document the last date of attendance, the mid-point date will
be used to determine the portion of aid which should be returned. Funds will be returned to the Dept. of Education within 45 days and all reporting to NSLDS will be done within 30 days.

**Example of a Federal R2T4 Calculation**

A student withdraws on the 48th day of class of a 114 day semester. The total institutional charges (tuition, fees, housing, meals, etc.) equals $6602 (48 days charged). The student was awarded and received the following federal aid:

- Pell Grant $3048
- FSEOG $175
- Sub Loan $1732
- Unsub Loan $2969
- Total Federal aid awarded $7924

Per the R2T4 policy, the student “earned” 48/114 or 42.10% (48 days completed of 114 days of the semester) of the federal financial aid, $3336 requiring the remainder of the “unearned” aid, $4588 to be returned to the federal aid programs. Under the policy, $1619 would be returned to the Sub Direct loan program and $2969 to the Unsub Direct loan program.

**Return of Unearned Federal Aid**

Once the school has completed an R2T4 calculation, any unearned aid must be returned to the federal government and the student will owe the funds back to Providence Christian College. Funds will be returned in the following order:

1. Federal Unsubsidized Direct Stafford Loan
2. Federal Subsidized Direct Stafford Loan
3. Federal Direct Parent Loan for Undergraduate students (PLUS)
4. Federal Pell Grant
5. Federal Supplemental Educational Opportunity Grant (FSEOG)
6. Cal Grant Funds

**Pre-Census Withdrawal**

If the student withdraws after the first day of class, but before census date of the course(s) enrolled during the payment period, the student will have the option to accept or decline any Title IV funds. The student will be given 14 days from the time notified of the R2T4 calculation in order to accept or decline the Title IV funds. If the student does not acknowledge their decision in writing, the Title IV funds will be posted to the student’s account towards any balance owed and the following will take place:
1. The “earned” Title IV funds will be posted to the student’s account;
2. Student will be placed on automatic suspension;
3. Student will be reported to the U.S. Department of Education via the National Student Loan Data System (NSLDS) as an overpayment for resolution of the debt;
4. A hold will be placed on all Providence Christian College records until the debt is resolved;
5. Students will not be eligible for Title IV funds at any institution until the overpayment is resolved.
6. If the student decides to decline the Title IV funds in writing, the following will take place:
7. All Title IV funds will be removed from the student’s account;
8. The student will be responsible to pay the full balance owed to the cashier’s office;
9. The student will NOT be placed on suspension;
10. A hold will be placed on all Providence Christian College records until the debt is resolved.

**POST-CENSUS WITHDRAWAL**

Once the student withdraws after the census date of the course(s) enrolled during the payment period, the student will have “earned” a portion of their eligible Title IV funds. The Title IV funds will be posted to the student’s account towards any balance owed and the following will take place:

1. The “earned” Title IV funds will be posted to the student’s account;
2. Student will be placed on automatic suspension;
3. Student will be reported to the U.S. Department of Education via the National Student Loan Data System (NSLDS) as an overpayment for resolution of the debt;
4. A hold will be placed on all Providence Christian College records until the debt is resolved;
5. Students will not be eligible for Title IV funds at any institution until the overpayment is resolved.

**POST-WITHDRAWAL DISBURSEMENT**

If the student has received less Title IV funds than the amount “earned”, the College must offer a disbursement of the “earned” aid that was not disbursed to the student.

Post-withdrawal disbursements are to be made as soon as possible, but no later than 45 days for grants and no later than 180 days for loans. Whenever possible, post-withdrawal disbursements for loans are made within two weeks of the deadline established for the student to accept or decline
the loan portion of a post-withdrawal disbursement. If the student fails to respond within the 14-day deadline, funds will automatically be returned to the school.

**Institutional Responsibilities under the R2T4 Policy**

Providence Christian College is required to return the amount of Title IV funds for which it is responsible as soon as possible, but no later than 45 days after the date of determination of the student withdrew. The institution’s responsibilities under the R2T4 policy are to:

1. Provide students with the information about the R2T4 Policy;
2. Identify students who will be affected by this policy;
3. Complete R2T4 calculations on students who have been identified;
4. Inform students of the result of the R2T4 calculation within 45 days from the date of determination;
5. Remove all unearned funds from student’s account;
6. Return any unearned funds to the applicable Title IV program(s);
7. Notify the National Student Loan Data System (NSLDS) of the student’s withdrawal date;
8. Student will be referred to the Department of Education for resolution of the debt;
9. A hold will be placed on all Providence Christian College records until the debt is resolved;
10. Students will not be eligible for Title IV funds at any institution until the overpayment is resolved;
11. Notify the student (or parent, as applicable) of eligibility for a post-withdrawal disbursement, if any.

**Student Responsibilities under the R2T4 Policy**

Student responsibilities under the R2T4 policy are to:

1. Review and understand the R2T4 policy. Students must also understand how withdrawing from courses affects eligibility for Title IV funds.
2. Adhere to the College’s withdrawal policy and promptly notify the institution of intention to separate.
3. Pay any outstanding debt at Providence Christian College. Debts from a Return to Title IV calculation must be paid in full to the Business Office and the hold will then be removed.
4. Contact the Financial Aid Office in order to update NSLDS that the overpayment has been resolved.
STUDENT LIFE

A detailed description of the student life policies and procedures are listed in the Student Handbook, which can be found on the College website.

THEOLOGY OF STUDENT LIFE

Because we believe that God’s sovereignty reigns in all areas of life and because Christ called us to love the Lord with all our heart, soul, mind, and strength, learning at Providence Christian College is not limited to the classroom. Student life is a vital part of the holistic Providence learning experience, and it has been consciously molded to abide by biblical standards. The Student Life staff strives to follow Christ, build a community of believers, and help students engage the culture. While these three overarching goals are integrated and interrelated, they present the foundation of all that we do at Providence.

CHRIST

We affirm that in all areas of life we are to be imitators of Christ; however, Christ also specifically modeled student life when he called a group of “students” and discipled them. This example of spiritual training and discipleship is our model of student life at Providence Christian College. Christ trained his students, formally (parables and sermons) and informally (modeling love, dealing with conflicts, and confronting sin), to be faithful and obedient to the Word, spiritually mature, and loving to God and their fellow man. These are also our goals in Student Life.

COMMUNITY

We strive to develop a strong community of believers. Just as Christ didn’t leave his disciples after his formal instruction was finished, we intentionally strengthen our community by spending time together: worshipping, eating, socializing, and building relationships. This community is vital for facilitating spiritual and personal growth, training in leadership, enjoying God’s creation, and experiencing the unity of the body of Christ. This community will be developed through campus-wide activities, chapels, clubs, and common learning experiences. While our student life programs will be designed to foster community, there will be times when sinful behaviors will hurt our community. When these conflicts occur, we will handle the issue through biblical standards of confrontation, discipline, and reconciliation so that a positive environment can be restored.

CULTURE

Student Life at Providence will consciously engage the diverse Southern California culture through service, seminars, Avodah Excursions, academic and recreational trips, and daily cultural interactions. By interacting with our rich culture, we are not only growing personally, but we are also working to fulfill Christ’s calling to reflect His light in a dark world. This is a continual process throughout a Providence education, not one that happens only after graduation. Christ didn’t wait until his disciples “graduated” before sending them out to engage culture, and neither will we.
\textit{STUDENT LIFE POLICIES AND CONDUCT AGREEMENT}

The following has been adopted by Providence Christian College so that, as part of the college community, we may clearly reflect the mission of our Lord as it relates to Christian higher education.

\textbf{FOUNDATIONAL STATEMENT}

At Providence, we gladly confess and seek to practice the Biblical teaching that all of life must be lived under the rule of Christ. Therefore, the instruction, attitudes and lifestyles of everyone at Providence must clearly express this truth. There are three parts to our commitment to our Lord’s teaching. First, in our lifestyle, the college community is to obey God’s Word. We are to demonstrate a repentant, redeemed heart and life. All of us are to respect one another as Christians and faithfully care for God’s creation.

Secondly, at Providence, we understand the Bible as the infallible, inerrant Word of God. Doctrinally, we affirm the scriptural interpretation as summarized by the Reformed Confessions: the Belgic Confession, the Heidelberg Catechism, the Canons of Dort, and the Westminster Confession and Catechisms. We must each seek to know in our hearts and minds that God created all things, how Christ redeemed us out of the fallen human race by His grace, and what this means as we live a life of gratitude in our world.

Finally, our goal at Providence is to train students to understand the unity and diversity of the various parts of God’s creation from the perspective of God’s Word. A Providence education will help students engage and transform our culture for Jesus Christ. By God’s grace, our studies will enable students to excellently prepare for and carry out their God-given tasks and responsibilities in our contemporary society so that we can make a profound difference in our world. We will seek to promote the claims of Christ over all of life.

\textbf{CAMPUS POLICIES AND PROCEDURES}

We at Providence recognize that students need room to grow and freedom to develop as young adults -- all within biblical norms for Christian living. The Christian life is not easy, so God has placed us as part of the body of Christ to encourage and hold each other accountable. The following specific policies have been listed so that all of us can be aware of expectations for the college community. While individual members of the Providence community may not agree with every rule that has been established, it is expected that students respectfully obey these standards that have been developed for the good of the community.

\textbf{CAMPUS LIFE}

Since Providence unashamedly is a Christian college, all of life, inside and outside of the classroom, is to be lived for the glory of God, in obedience to His Word, and in gratitude for our salvation in
Jesus Christ. Students must make it their goal to understand the Bible’s teachings concerning holiness, love of God and others, godliness, and to increasingly live in accord with these teachings. They, along with the rest of the college community, must demonstrate personal moral integrity in all the areas of their lives and work as part of that community.

This means, in part, that all of the students have both the privilege and responsibility to be a part of the Christian community that is being developed at the college. There are many opportunities for personal and spiritual growth and development as we fellowship with other Christians. Being a part of the community at Providence means that we all are accountable first to the Lord, and then also to one another as brothers and sisters in Christ.

Students are encouraged to demonstrate their genuine love for the Lord by engaging in personal as well as group devotions. All are expected to worship regularly at a local church that is faithful to the Scriptures and become an active participant in the life of that church.

When students have problems regarding another individual or have legitimate complaints regarding some part of the activity of the College, they should seek to solve them with the appropriate people by following biblical admonition (Matthew 5 and 18) and going to the offending or offended person before taking the matter to a higher authority. Students have the right of appeal even to a committee of the Board of Directors, but only after seeking to rectify the situation with fellow students, professors, and/or the appropriate administrators.

The College administration reserves the right to suspend or dismiss any student whose conduct or attitudes are unworthy of the standards of Providence Christian College. A student who is dismissed from the College must wait at least one semester following the semester of the dismissal before reapplying for admission.

Although we recognize that faith is formative, especially during the college years, in order to build a Christian community on campus, each student must profess to be a Christian and affirm the basic Christian doctrines found in the Apostles’ Creed.

**COMMUNITY LIFE**

In addition to the foundational statement and the Theology of Student Life, all community policies on student conduct are guided by biblical principles, Christian perspectives on current issues, and civil laws.

**BIBLICAL PRINCIPLES**

Members of the Providence community (students, faculty, and staff) are asked to abide by biblical principles regarding life. While we all struggle in areas of weakness, it should be our goal to live lives that are pleasing to God. In our thoughts, we should meditate on what is pure (Phil. 4:8-9); in our words, we should speak only what is beneficial and avoid gossip (Prov. 16:28; Eph. 4:29); in our
actions, we should flee from sin and cling to what is good (Romans 12:9). By following these principles, our community will grow in Christ.

**CHRISTIAN PERSPECTIVES**

Christians must make daily decisions about current issues that are not specifically mentioned in the Bible. With these decisions, the Christian must use discernment to know what actions would glorify God. The following principles should be applied to those current issues not specifically addressed in scripture.

In I Corinthians 6:12, Paul addresses Christian liberty when he says, “‘Everything is permissible for me’ – but I will not be mastered by anything.” Thus, the first principle is to ensure that the area will not master us; therefore, as Christians, we need to avoid activities that can become addictive or that can prevent us from doing those things that we ought to be doing.

In I Corinthians 10:23, Paul continues by stating, “‘Everything is permissible’ – but not everything is beneficial […or] constructive.” This leads us to the second principle: our actions must be beneficial or constructive to our faith and to others.

The third principle in Christian liberty deals with Paul’s admonition in I Corinthians 10:31-32: “Do not cause anyone to stumble,” illustrating how our actions affect fellow believers; therefore, we are commanded to be aware of others and avoid anything that might tempt them or tear down the body of Christ.

Therefore, we ask that the principles in I Corinthians regarding Christian liberty be upheld and applied by all members of the Providence community.

**CIVIL LAWS**

In obedience to God and respect for the authorities that he has placed over us, it is understood that our college community will abide by city, county, state, and national laws. It is also our responsibility to know and understand the civil laws under which we live. Copies of these laws can be found online.

**RESIDENT LIFE**

**FOUNDATIONAL STATEMENT**

One of the distinctives of Providence Christian College is the focus on residential, liberal arts education. The Resident Life team including, but not limited to, Community Directors (CD) and Resident Assistants (RA), builds and implements the Resident Life program in a way that glorifies God and serves the community. Res Life works primarily as educators, spiritual counselors, and community builders. As educators, Resident Life staff aims to connect with faculty for the sake of
student success and to encourage critical thinking outside as well as inside the classroom. As spiritual counselors, they approach individuals and the community in an intentional way for the sake of assessing where they are at socially and spiritually to encourage personal and community growth. As community builders, Resident Life staff attempt to create a peaceful living environment and a community in which students are encouraged to explore and implement their Christian faith in relationship to each other and the world.

**HOUSING**

Believing that much of the best learning takes place through dialogue, Providence is dedicated to fostering holistic and organic conversation among students, faculty, and staff, in and out of the classroom. With the goal of creating and nurturing a covenantal, residential learning community, all students are ordinarily required to live on campus if they are unmarried and are not 21 years of age by the first day of fall semester classes. Those students under 21 years old and desiring to live off campus (not with a parent/guardian) must submit the Housing Policy Waiver Application to the department of student life.

Providence students typically reside in the Aylward House or Townsend dorm rooms on campus. A limited number of on campus apartments are available to students as well upon request. Housing for new students is reserved through the enrollment deposit payment. Returning students reserve housing through the housing deposit submitted along with their housing requests in the spring semester. All students must maintain a housing security deposit with the business office throughout their time at Providence as well (see the “Costs and Payment Procedures” for more information). This deposit is refunded during the summer after all room damages, library fines, and other account balances with the College have been paid.

Room fees charged to the student accounts allow students to reside on campus from “move-in day” on the academic calendar through the end of each semester. Thanksgiving, Christmas, and Spring Breaks are not included in these fees. Students are encouraged to vacate campus during these breaks; however, if a student must stay on campus, the Resident Director should be contacted and the student will be charged a per day fee for staying on campus.

Students are expected to keep dorm rooms or apartments in good, well-maintained condition. Providence Christian College and/or WCIU reserve the right to inspect rooms at any time and may impose cleaning/sanitation warnings and/or fines upon any students who do not keep their rooms well-maintained.

More detailed explanations about the housing policies and fees may be found in the Student Handbook or on the college website.

**SPIRITUAL LIFE ON CAMPUS**

Spiritual life at Providence is not just chapel, Bible studies, and church; it is “every square inch” of our lives. Often spiritual life is compartmentalized apart from other areas of life, but it should be
integral to everything we do. It is essential to build a strong spiritual foundation that will inform all areas of our life. Specifically, to nurture our spiritual lives, the college community is committed to grow together through corporate worship, Bible study, prayer, and fellowship. While spiritual life at Providence is integrated into every area of the college, we do have formal and informal programs that help us build that solid foundation.
ACADEMIC POLICIES AND PROCEDURES

RESERVATION OF RIGHTS

Providence Christian College reserves the right to change any of its policies without prior notice, including, but not limited to: course offerings, faculty, graduation requirements, tuition and fees. This catalog supersedes all previous catalogs. The catalog is supplemented by rules and regulations in the Student Handbook and announcements on Populi. Where conflict exists between any of these sources, the most recent rule, regulation, or policy will take precedence.

ACADEMIC INTEGRITY

Each Providence student is responsible for becoming familiar with the standards of academic integrity and abiding by the policies of the college, as well as following the guidelines that each instructor has developed in his/her course policies. Any breach of this trust will be taken seriously by all members of the college community. God calls us to show integrity in all of our relationships and in all of our behaviors, and, as an academic institution, we are specifically concerned about the following areas of academic integrity:

● **Cheating** – this involves the unauthorized use (or attempted use) of another person’s work on an exam or assignment, or using (or attempting to use) unauthorized notes during an exam or assignment. This also includes allowing one’s work to be used by other students in an unauthorized way.

● **Plagiarism** – this involves misrepresenting an intellectual work (written material, ideas, artistic work, and line of thought or reasoning) as one’s own. This can also include falsifying or incorrectly citing sources.

● **Dishonesty** – this involves deceiving one’s instructor or classmates regarding missed deadlines, absences from class, or forging a signature, such as signing in for another student, among other practices.

● **Cell phone, tablet, or unauthorized use of a computer during examination/quiz** – The unauthorized use of a cell phone or use of a computer during any type of quiz or examination will automatically be considered cheating, whether the student intended to cheat or not.

● **The 4-H Rule** – While in the sanctuary or in any classroom on the Providence campus, no hats, hoods, or unauthorized use of handheld phones and headphones are allowed. Students in violation of the 4-H rule will be counted as absent and not receive credit for any assignments due the day of the violation. Upon second offense, students will be referred to Student Life for additional sanctions and fines.
Additional areas of violation – Including, but not limited to: submitting assignments that are not one’s own, submitting the same paper in more than one course without prior approval from all instructors, appropriating or using test materials without instructor knowledge, computer fraud or unauthorized access to a computer or cell phone, engaging in academic fraud individually or with others, downloading or using internet material without proper citation, any illicit attempt to influence a test or grading of a test, or failure to follow instructions or guidelines for test-taking (such as using a cell phone during test-taking, or working with another student when an instructor states students must work individually). If a student copies work from another student, both students will be held responsible for violating academic integrity.

Cases of cheating or plagiarism will be reported to the office of the Vice President of Academic Affairs and the Dean of Students/Student Life. Disciplinary measures for a first offense range from failure on the assignment to failure in the class, as determined by the instructor and the VPAA. For a second offense, the student may face academic suspension from the college.

ACADEMIC FREEDOM

As an academic community, Providence Christian College is committed to the wholehearted pursuit of genuine Christian scholarship and teaching. Students and faculty are free to explore, investigate, and engage all of creation in pursuit of truth. Academic freedom at Providence, however, is shaped by its confessional commitment.

The confessional basis of Providence Christian College serves as the foundation of academic endeavors, a point of orientation that guides fruitful exploration as well as sets boundaries. Providence builds on Anselm of Canterbury’s definition of theology as “faith seeking understanding” by applying it to all aspects of study. The context for interpreting knowledge from any source is the biblical worldview, and the ultimate standard for determining the validity of truth claims is the teaching of the scriptures of the Old and New Testaments. The confessional statements that constitute the doctrinal standards of the college do not claim to exhaust the truth that God has revealed concerning himself, his relationship to humanity, and his creation. Debate, vigorous exchange of ideas and careful analysis should be encouraged, recognizing that all conclusions should be subject to examination and correction in the light of the written word of God. The free pursuit of academic inquiry at Providence Christian College takes place within a Christian community. The confessional commitments of the college create a distinct kind of academic community in which there is freedom to pursue Christian scholarship and express Christian convictions in the classroom that is not found in most American institutions of higher education.

ADVISING

When a student is admitted to Providence Christian College, an initial adviser is appointed to provide the student with intensive, holistic advising for academic, social, and spiritual development during their first two semesters at Providence. Once a student declares an area of study (normally
at the end of the student’s second semester), he/she then is assigned to or chooses a faculty adviser in a chosen concentration. This adviser is appointed to provide the student assistance in developing a program of study, to monitor progress toward completion of that program, and to guide the student into a vocational calling. During registration periods, the advisers help select courses that meet the goals of the student’s program. Changes in faculty advisers are made through the Registrar’s Office. Students are encouraged to get to know their advisers and confer with them on a regular basis.

**CREDIT HOURS**

- One credit hour represents 50 minutes of lecture or equivalent programming combined with the general expectation of two hours of preparation per week throughout one semester of 16 weeks.
- Three credit hours of laboratory (e.g. in Biology, Chemistry) or its equivalent (e.g. studio work, performance rehearsal, etc.) will be considered equivalent to one credit hour of lecture.
- Two credit hours of activity (e.g. in Health and Physical Education) will be considered equivalent to one credit of lecture.
- Courses offered in a term for less than 16 weeks will contain the same contact hours, preparation time, content, and requirements as the same course offered over a 16 week semester.
- Internships/fieldwork require 50 hours per credit hour, the majority of which is onsite/service but also includes directly related work such as assigned reading and writing, projects, etc.
- Directed study (a regular course taught as an independent study) requires all syllabus requirements for the regular class, 1-1.5 hours meeting, and additional reading/reflection paper assignments/projects (intended to take about 15-25 hours of research time).
- Exceptions to policy must be considered and approved by the Academic Concerns Committee. Such exceptions have been made for courses (e.g. ART 111) which consist of both lecture and studio work.

**STUDENT COURSE LOAD**

A student must earn a minimum of 128 total credit hours to graduate from Providence Christian College. The student course load is ordinarily 15-16 credit hours per semester. Taking more than 16 credit hours should be done with the advice and consent of the student’s faculty adviser. Twelve credit hours is the minimum number for classification as a full-time student. Students who have been admitted provisionally may be required to register for fewer than 15 hours for their first
semester at Providence. Students who have been placed on academic probation are restricted to a maximum of 14 hours per semester. Students must receive permission from their faculty adviser and the Registrar when enrolling in more than 20 credit hours per semester. Additional tuition charges will be incurred for each credit hour taken above 20 as well.

**STUDENT CLASSIFICATION**

Students accepted as degree candidates are identified by class-level standing according to the number of credit hours earned. Students are classified as follows:

- **Freshman** 0 – 31 credits
- **Sophomore** 32 – 63 credits
- **Junior** 64 – 95 credits
- **Senior** 96 + credits

**REGISTRATION FOR CLASSES**

Students who have confirmed their plans to attend Providence Christian College by submitting their enrollment deposit will receive pre-registration materials. Returning students will register for fall courses in the preceding spring semester. New students will be enrolled, by the Registrar, in predetermined courses over the summer. Registration will be confirmed on registration day if final high school/college transcripts have been received. Typically, freshman courses are selected primarily from the core requirements for graduation.

The factors governing course choices include:

1. Advanced college credit (e.g., AP courses) may eliminate the need to take certain courses.
2. Students who need additional support to meet the necessary standards are required to do additional work through the Academic Resource Center and the Writing Center. The need for these additional services is determined through review of student records.
3. Some choice exists among certain core requirements (e.g., laboratory sciences).
4. Students in heavily loaded concentrations may need to begin taking courses in their concentration during their freshman year.

**COURSE LEVELS**

The first digit of a course number indicates the class level of the course. Freshmen have permission to take sophomore-level (200) courses, provided they have met the prerequisites. Junior and senior level courses (300 and 400) are considered to be upper-division courses.

- **100-level course designation:** Courses with no prerequisites, survey courses, courses defining basic concepts or presenting the terminology of a discipline. Assumptions and Expectations: 1. Students possess writing ability sufficient to compose definitions, paragraphs, or essays where appropriate; 2. Students possess reading skills sufficient to comprehend college-level material
in textbook and monograph form. Where specified, completion of remedial coursework should be a prerequisite.

- **200-level course designation:** Courses of intermediate college-level difficulty; courses with 100-level course(s) as prerequisite(s); or survey courses devoted to particular areas or fields within a discipline. Assumptions: 1. Students will have completed college composition (ENG 101) or the equivalent; 2. Students possess general skills such as recognition, reading, appropriate quantitative skills, and varying degrees of fluency in writing and articulateness in expression; 3. Students are acquainted with the basic language, terminology, or methodology of the subject itself; 4. Students are, in that subject, at a stage of understanding where they can progress towards significant conclusions, experiments, and/or explorations. Expectations: 1. Students can proceed at a reasonable pace without difficulties in comprehension; 2. Students can cope with assignments involving reading and comprehending a specified amount of material and/or preparing organized papers; 3. Students will accomplish a substantial amount of work, for example: study a number of books or work through a comprehensive textbook, write a number of papers, or demonstrate an in-depth knowledge of the material covered.

- **300-level course designation:** Courses of advanced difficulty taken by upper division students. These are often considered to be courses in the concentration offered for students clearly interested and qualified in a subject. Assumptions: Students are at ease and comfortable in the field; they have acquired an adequate general knowledge in the area to pursue some study in depth with the proper methodological tools. Expectations: 1. Students have the ability to do research, or to obtain relevant information in the field through the proper use of libraries; 2. Students are fluent in the language of the field so as to read and analyze relevant information; 3. Students are able to combine the results of the research or the reading into cohesive statements; 4. Students are able to produce substantial work, such as a paper of "term-paper" length or a creative or experimental project.

- **400-level course designation:** Advanced upper-division courses, seminars, practicums, or internships for upper division students. Assumptions: 1. Students have completed a substantial amount of work on the 300 level. 2. Students have the capacity to work independently under the guidance or supervision of an instructor. Expectations: Students complete a research project or paper.

**Late Registration**

After online registration closes, a registration fee will be charged to the accounts of those students who need to register through the Registrar's Office. Students may also be limited in their class selection as classes may have closed.
ATTENDANCE

As part of the covenantal agreement to which both instructors and students have committed, students are expected to attend all class and laboratory sessions for which they have registered. Instructors are free and responsible to establish, place in their course syllabi, and enforce attendance policies for their classes. Any penalties or makeup privileges for absences are left to the discretion of the instructor.

ADDING/DROPPING COURSES

Students may make changes to their class schedules during the add/drop period of each term. It is strongly recommended that students work with their academic adviser to ensure that they are on track to meet degree requirements. The add/drop period begins the first day of classes and lasts till the end of the second week of the term. No mark will appear on the transcript. Adding a course could result in the increase of student tuition and fee charges. Dropping a class could result in the reduction of already awarded financial aid and an increase in the student account balance. Each student may add/drop classes in either term I or term II (Spring, Fall) as long as the student maintains at least one 4 credit course in each term. However, a student may not drop below 12 credits in their second term of a given semester as doing so would result in the loss of full-time status as a student.

WITHDRAWAL FROM COURSES

After the initial drop period, the entry for withdrawals will be a grade of “W”. Normally, a student will not be allowed to withdraw from a course after the tenth week of a semester. All changes in registration must be approved by the student’s faculty adviser and reported to the Registrar through the use of the appropriate form. If the faculty adviser and Registrar are not informed of the change, the student may receive a grade of “F” for the course.

A student who never attends or stops attending a course for which they are officially registered, without following the accepted procedures, will receive a grade of “F” in that course. A student who wishes to initiate withdrawal from a course after the deadline may do so by filing a petition to present a serious and compelling reason for withdrawal to the Registrar’s Office. Approval for such a withdrawal will be granted only in extreme cases where extenuating circumstances are evident and can be substantiated. Failing or performing poorly in a class, and dissatisfaction with the subject matter, class or instructor are not acceptable, serious, or compelling reasons for late withdrawal.

PASS/FAIL OPTION FOR ELECTIVES

As a means of encouraging students to explore interests outside of their concentrations, Junior and Senior status students are allowed to register for any course outside of their concentrations and the Core Liberal Studies Curriculum as an elective on a pass/fail basis. While the credits can be applied
toward graduation requirements (128 credit hours), a course taken on a pass/fail basis is not computed into the student’s GPA. To receive a P (passing) grade, students must participate fully in the course in a manner satisfactory to the instructor and earn a final grade of at least 70%. Students must register for credit for each course they intend to take during the semester. Students then may designate a course as pass/fail by completing a pass/fail form within 4 weeks of the course start date. If a student takes a course pass/fail, and then changes his or her concentration so that the course is needed for credit, the student must retake the course for credit. A maximum of 6 semester credit hours taken on a pass/fail basis will be counted towards graduation requirements.

**AUDITING A COURSE**

A student may elect to audit a course rather than take it for credit. Audited courses do not contribute toward fulfilling graduation requirements. An auditor may attend all classes and participate in activities of the course, but does not have an obligation to fulfill any of the requirements of the course. The instructor also does not have an obligation to evaluate the auditor and may choose which class discussions and activities the auditor may participate in. Full-time students may audit a course at no additional cost; others are charged a special rate for each course audited. A student may change from credit to audit through the sixth week of classes.

**INDEPENDENT STUDY**

An independent study ordinarily involves a subject within the student’s concentration that is not otherwise offered at Providence. When feasible, such a study will be arranged for students with a cumulative GPA of 3.0 or above who are approved for such study by the Vice President of Academic Affairs and the faculty member who will supervise the study. The student is expected to submit a proposal to the supervising faculty member that includes an outline and bibliography for the subject to be studied. Independent Study courses are typically offered on a credit/no credit basis. Students may petition to receive a letter grade with instructor approval. The proposal must also be submitted to the Registrar, so the appropriate credit may be documented.

**PRIVATE STUDY**

Required courses, either core or in one’s concentration, not offered in a given semester, may be arranged on a private basis. Such an arrangement must be authorized by the Vice-President of Academic Affairs and the Registrar. This authorization will ordinarily be granted only when a student needs a course that will not be offered again before the student’s expected date of graduation, and it was impossible for the student to have taken the course when last offered. Such situations may arise when 1) a student received a grade of “D” or “F” in a concentration course, 2) a student received a grade of “F” in a required course, or 3) a student changes majors or transferred to Providence late in his or her college career.
ONLINE AND CORRESPONDENCE COURSES

Courses offered online or through correspondence from accredited institutions may offer an alternative to independent and private study. Approval to take such courses for credit while enrolled as a student at Providence must be given in advance by the Registrar and the student’s academic adviser. Ordinarily, approval will be granted only if the course is not offered by Providence and if it is appropriate given the student’s course load at Providence. Seniors planning to graduate at the end of the spring semester must complete all such coursework by April 1 of their graduation year.

REPEATED COURSES

A student may repeat courses to improve a grade. The repeated courses will be notated with a code of “R” on the transcript. The highest grade earned at Providence Christian College will be calculated into the institutional GPA; the lower grade will be excluded from the hours earned and GPA calculation. Courses repeated at another institution, which must have prior approval from the Registrar, can affect the institutional GPA only by removing a lower grade from the calculation, versus adding the higher grade, since only credits earned at Providence Christian College are calculated into the institutional GPA.

DISABILITY ACCOMMODATIONS

Accommodations for diagnosed medical and academic disabilities are available to students through the Academic Resource Center. Students who are qualified to receive accommodations should provide documentation of their needs to the Director of the Academic Resource Center (ARC). An accommodation plan will be developed that is appropriate to the needs of the student.

ACADEMIC APPEALS PROCEDURE

An academic appeal must relate to an academic matter, such as grades, transcripts, transfer credits, irregularities in scheduling, academic probation or suspension, or other academic matters. Students who desire to appeal an academic decision of the College must first directly address the parties involved such as a professor, the concentration coordinator, the Registrar, or any other authorities who the decision may relate to. Many times academic decisions involve personal issues as well. Therefore, the parties involved should also follow the college grievance procedure found in this catalog and The Student Handbook.

Students desiring to appeal an academic decision must observe the following procedure:

1. The Registrar should be notified of an appeal in written form. The Registrar will determine the legitimacy of the appeal and ensure that the preliminary steps listed above were followed. If warranted, the appeal will be brought before the Student Affairs Committee.
2. The written appeal should document any extraordinary circumstances or difficulties that may have caused the situation to arise.
3. The appeal should address in a biblical manner how the situation may be remedied.
4. The Student Affairs Committee will review the written appeal and advise the Vice President of Academic Affairs, who makes the final decision and informs the student.
5. All decisions of the Vice President of Academic Affairs are final.

**Dean’s List**

A Dean’s List is published for each fall and spring semester. Students named to the Dean’s List must have been enrolled full time and have maintained a GPA of 3.50 or higher for the fall or spring semester. Only credits taken at Providence are considered eligible for the Dean’s List.

**Grading System**

The following grading system is in effect at Providence Christian College:

**Incomplete Coursework and Grades**

A temporary grade of I (incomplete) is given when it is deemed by the instructor that the student, for legitimate reasons, has been unable to complete required coursework. It is the student’s responsibility to request the grade of “I” from the instructor and to identify with the instructor
both the specific work that remains to be done and the deadline for completion. All work must be completed within 60 days from the end of the semester in which the course was taken. If the coursework is not completed by the deadline agreed to, the instructor will submit a grade based on the coursework that has been completed to date.

DEGREE/NON-DEGREE CREDIT

Courses offered at Providence Christian College satisfy degree requirements and count toward the total number of credits needed for graduation. In order to aid students who were not sufficiently prepared for the rigor of college level academics, Providence also offers support through the Academic Resource Center. If a student chooses to audit a class for no-credit, that will be reflected on a transcript.

CHANGING GRADES

Although instructors may, at their discretion, both grant incompletes and change grades after a semester has been completed, justice requires that all students in a course be given equal opportunities. Also, as part of their academic and personal development, college students benefit from the discipline required in doing a specific amount of work in a specific amount of time, and from learning to live with the consequences of their performance under such conditions. Faculty members will ordinarily, therefore, change students’ final grades only under such circumstances as the following:

1. The instructor comes to realize that an error has been made in calculating the final grade;
2. The instructor comes to believe that certain requirements of the course were so egregiously unfair as to warrant all students in the course being allowed to redo some work or to do additional work; or
3. The instructor learns that a student’s performance was affected by illness or emergency such that the instructor would have granted an incomplete had he or she known about it before the end of the semester.

GRADE REPORTS

In order to facilitate student awareness of, understanding of, and responsibility for their grades, course grades are made available throughout each semester to students through Populi, Providence Christian College’s student information system. Faculty advisers also have access to their advisees’ grade reports through Populi. Semester grades are posted on student transcripts within a reasonable time after final exams.

Notice: Distribution of grades to someone other than the student requires a FERPA release from the student to be in compliance with the Family Educational Rights and Privacy Act of 1974.
**LEAVE OF ABSENCE**

Students may request to take a leave of absence for one semester as per the Department of Education policy which states that the “Leave of Absence, together with any additional leaves of absence, must not exceed a total of 180 days in a 12-month period.” Students must keep this in mind when requesting a leave of absence as after the 180 day mark is reached, the student is considered withdrawn for financial aid purposes.

Requests should be made to the Registrar’s Office and require college approval. Forms are available from the Registrar’s Office and must be completed prior to the student’s absence from the College. Failure to complete the required form, or to register at the end of the approved leave, will result in the student having to reapply to Providence and comply with any applicable changes in admissions, financial aid, and graduation requirements.

If a student is approved for a leave of absence during the academic year, it is the student’s responsibility to meet with the financial aid office to adjust aid appropriately. The financial aid office will complete any return calculations if necessary. If the student has borrowed Federal Direct Loans, students will go into repayment after six months or less than half time enrollment, if they have not returned from their leave of absence. Failing to return from a leave of absence may adjust the student’s repayment terms, including the expiration of the student’s grace period. Students must complete their exit counseling at www.studentloans.gov upon ceasing attendance between terms.

**WITHDRAWAL FROM THE COLLEGE**

Each student has the right to cancel the enrollment agreement or withdraw from the institution and obtain a refund of charges paid through attendance at the first class session or the 7th day after enrollment, whichever is later. You may cancel the enrollment agreement or withdraw from Providence Christian College and receive the applicable refund by providing a signed, written notice to the Registrar’s Office.

Complete official withdrawal from Providence during the semester is permitted only if a course has not already been completed. A student who, for any reason, finds it necessary to withdraw from the College during the course of the semester must complete the exit interview process and fill out a Withdrawal Request form available from the Registrar’s Office. Failure to comply with these regulations will result in failing grades being entered on the student’s record, and dismissal will be recorded as unofficial.

Ceasing to attend does not constitute an official withdrawal from a course or from Providence. However, ceasing to attend all courses may result in Return to Title IV processing as required by federal regulation. Refer to the Financial Information section of this catalog for additional information.
An unofficial withdrawal is a student who does not successfully complete any of their courses (receives all F grades or I grades), stopped attending classes, and did not complete any coursework as of the 60% point of the semester without officially withdrawing from the College, as required.

When a student leaves the College without notice, faculty will be contacted to determine the last date of academically related activity. Since attendance is not required to be taken by all instructors, the College will also look at other evidence of campus activities (e.g. activity dates, library access, and meals) to help determine an effective date for both Title IV and institutional refund purposes. If an effective date cannot be accurately determined, the midpoint of the term will be used as the effective date. A different effective date may be used for refund purposes of institutional expenses compared to Title IV funds when there are differences between the date the withdrawal was initiated compared to when the student completed the process and vacated campus. An unofficial withdrawal may be required to repay a portion of the financial aid received for the term. All financial aid reductions are calculated based on formulas published by and software received from the Department of Education.

Students who stop attending all of their classes are required to officially withdraw from the College.

**Notice Concerning Transferability of Credits and Credentials**

The transferability of credits you earn at Providence Christian College is at the complete discretion of an institution to which you may seek to transfer. Acceptance of the degree you earn in Liberal Studies is also at the complete discretion of the institution to which you may seek to transfer. If the credits or degree that you earn at this institution are not accepted at the institution to which you seek to transfer, you may be required to repeat some or all of your coursework at that institution. For this reason, you should make certain that your attendance at this institution will meet your educational goals. This may include contacting an institution to which you may seek to transfer after attending Providence Christian College to determine if your credits or degree will transfer.

**ACADEMIC PROBATION**

A student with an institutional cumulative GPA that falls below 2.00 will be placed on academic probation for the following semester. The student will be notified through a letter of probation regarding his or her probationary status.

A student on academic probation:

1. May carry a maximum of 14 hours for the semester;
2. Must contact the director of the Academic Resource Center (ARC) within the first two weeks of the semester and follow ARC recommendations;
3. Must attend all required class sessions; in cases of illness or emergency, documentation should be provided for the student’s professor and adviser;
4. May not be eligible for participation in extracurricular activities;
5. May have his or her scholarship awards reevaluated according to the policies of the College;
6. May have his or her institutional financial assistance package reevaluated according to the policies of the College;
7. If applicable, may not be eligible to continue student employment. This employment will be evaluated on a case-by-case basis;
8. May not audit other courses;
9. Who fails to comply with these requirements may be placed on academic suspension immediately;
10. May appeal to the Vice President of Academic Affairs regarding his or her placement on probationary status. This appeal must be written and received by the Registrar within 10 days of the student receiving the letter of probation. The written appeal must include documentation of the extenuating circumstances that led to the poor academic performance as well as a detailed plan to address and remedy the student’s past academic performance.

Students on academic probation for more than (2) consecutive semesters may be placed on academic suspension.

**ACADEMIC SUSPENSION AND READMISSION**

Students may be placed on academic suspension if they fall under any of the following criteria:

   a. The student has been on academic probation for more than two consecutive semesters.
   b. The student earns a 1.0 GPA or less in any semester.

In matters relating to discipline, the Vice President of Academic and Student Affairs, in coordination with the Director of Student Life, will evaluate a student’s academic status with the College.

Students placed on academic suspension are required to leave the College for a minimum of one semester, after which time they may petition the College for readmission. A joint committee composed of the Admissions and Academic Concerns Committees will evaluate the petition based on a review of the student’s current and future capacity (including both ability and desire) to perform at the academic level required by the College for graduation.

**GRIEVANCE PROCEDURE**

Providence Christian College is an educational community of believers. Within such a community, loving relationships are a vital part of the Christian ethos, as the second of the Love Commandments attests (Matthew 22:39). A breach in relationship can occur between a student and another student or between a student and a professor/administrator. Since the foundational
relationship is that of brothers and sisters in Jesus Christ, the Bible’s instruction for dealing with grievances must be followed; Matthew 5:23-24 and 18:23-24 offer such instruction. The person who either has a grievance against another or perceives that the other harbors a grievance against him or her is required, either way, to take the initiative to resolve the issue and to bring reconciliation and restoration to the relationship. This person is to go directly to the other, without sharing information with persons who have no need to know, and seek reconciliation. If reconciliation does not take place, a third person who is acceptable to both parties is to be asked to serve as a bridge for understanding and healing. These are the biblical procedures for dealing with grievances, whether they take place in the residence hall or in the classroom.

Since a grievance by a student against a professor or staff member can be the most sensitive to resolve, the following guidelines are provided:

a. If a student has a grievance against a professor or staff member, the student should first bring the grievance to the individual in a private setting, typically through a pre-arranged appointment. Both the student and the professor or staff member need to listen to each other, without interruption if desired, and try to hear the viewpoint of the other. Ideally, the issue can be resolved in this setting, with both parties accepting the solution as being just, right, and respectful.

b. If all options have been explored and no mutually acceptable solution can be found, a third person who is acceptable to both should be invited to assist in the solution-seeking and reconciliation process.

c. If either party chooses not to accept the recommendation of the third party, he or she can seek assistance from the Vice President of Academic Affairs, who will determine whether existing policy provides an answer to the grievance. If not, the Vice President of Academic Affairs will refer the issue to an ad hoc committee of two faculty members, a student, and the Vice President of Academic Affairs. The goal of the committee will be to bring both parties together in reconciliation; if this is not possible, a judgment or decisive ruling is to be rendered by the committee. Written copies of the committee determination are to be presented to the student, the professor, and the President of the College.

d. Further appeals can be made to the President and then, if desired, to a committee of the Board of Directors through the President.

Neither party is to skip steps in this grievance procedure process. Intentional breach of procedural protocol may create unnecessary dissonance in the body and, consequently, may lead to disciplinary action.

**ACADEMIC STANDARDS**

A student must have an institutional grade point average (GPA) of at least 2.00 to be granted a degree. (An institutional grade point average is computed by dividing the number of grade points earned by the number of units attempted at Providence Christian College. Transfer credits are not included.) Three grade point averages are printed on a Providence transcript: term – Providence
courses for one semester; institutional—only Providence courses or courses from cooperative programs; transfer—courses from any other institution. The institutional GPA is the only average used for all of Providence’s academic purposes, such as determination of academic status for enrollment, scholastic honors, and graduation requirements.

**CATALOG FOR GRADUATION**

Students are obliged to abide by the graduation requirements laid out in the catalog edition published the year they matriculate. Students may also choose to switch to any newer catalog, provided that the catalog is in effect while they are in attendance. “In attendance” is defined as enrollment in at least 12 credits for one semester within a 12-month period. If a student is not in attendance for more than one semesters and then re-enters the College, the student is subject to the graduation requirements at the time of re-entry. Continuation under the catalog refers to degree requirements, not policies, tuition and fees, and other information which may change annually.

**COMMENCEMENT**

Commencement is a time for the seniors, for their families, and for the Providence community to celebrate together the completion of their formal education at Providence. Commencement is held at the conclusion of the spring semester; and includes any graduates from the previous fall. The conferral of a degree is by receipt of a diploma or official transcript noting degree completion.

**DEGREE POSTING DATES**

The College posts degrees three times each year, regardless of the specific date when all work is completed. All degree requirements must be met prior to the posting date. The three posting dates are at the end of the fall semester (near the end of December), the end of the spring semester (near the beginning of May), and near the end of August. Degrees completed between posting dates will be posted at the next scheduled date.

**ACADEMIC HONORS**

Academic achievement of full-time students is recognized each semester by publication of a Dean’s List. To qualify for this honor, a student must achieve a semester GPA of 3.5 or better and not earn any grades below a C-.

Academic achievement upon completion of a degree program is recognized at graduation and on final transcripts in the following categories for the *institutional* GPA:

- **Graduating with honors** *(Cum Laude)* GPA of 3.500 to 3.699
- **Graduating with high honors** *(Magna Cum Laude)* GPA of 3.700 to 3.899
Graduating with highest honors *(Summa Cum Laude)* GPA of 3.900 or higher

To qualify for one of these honors, the graduating student must have completed a minimum of 60 semester hours at Providence Christian College.

**Laptop Computer Policy**

Providence Christian College is committed to promoting an environment of learning that encourages students to use modern technology to enhance their experience. In order to facilitate this educational philosophy, students are required to bring a laptop/notebook computer. Wireless internet can be accessed throughout the campus. Students will be oriented to college IT use policies during student orientation.

**Student Records Policy**

Providence Christian College is committed to effective record retention to comply with applicable law, to preserve its history, to optimize the use of space, and to ensure that college records that are no longer needed are properly disposed of. Academic information found on transcripts is retained permanently. Additional supporting or supplementary records are generally retained for seven years after graduation or the last date of attendance.

**Official Transcripts**

Requests for official transcripts must be made to the Registrar’s Office in writing and signed by the student or an alumnus. Official transcripts are sent directly to the person or institution requested by the student. A $5.00 fee will accompany all requests. Requests for a rush order or an international recipient will have an additional charge. See the Registrar’s Office website for more information.

**Notification of Rights Under FERPA**

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. These rights include:

(1) The right to inspect and review the student's education records within 45 days of the day the University receives a request for access.

A student should submit to the Registrar, Vice-President of Academic affairs, head of the academic department, or other appropriate official, a written request that identifies the record(s) the student wishes to inspect. The college official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the college official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.
(2) The right to request the amendment of the student’s education records that the student believes are inaccurate, misleading, or otherwise in violation of the student’s privacy rights under FERPA.

A student who wishes to ask the college to amend a record should write to the college official responsible for the record, clearly identify the part of the record the student wants changed, and specify why it should be changed. If the College decides not to amend the record as requested, the college will notify the student in writing of the decision and the student’s right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

(3) The right to provide written consent before the College discloses personally identifiable information from the student’s education records, except to the extent that FERPA authorizes disclosure without consent.

The College discloses education records without a student’s prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. A school official is a person employed by the College in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the College has contracted as its agent to provide a service instead of using College employees or officials (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for the College. Upon request, the College also discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

(4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by the College to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202-5920
Phone: 1-800-USA-LEARN (1-800-872-5327)

COMPLAINT NOTICE

Providence Christian College takes very seriously complaints and concerns regarding the institution.
If you have a complaint regarding Providence Christian College, the college has established a grievance process for undergraduate students (“Grievance Procedure”) in this catalog. Course syllabi and student handbooks may also define the steps you can take to grieve or appeal decisions (e.g., Academic Integrity; Grade Change) made by college officials.

If you believe that your complaint warrants further attention after you have exhausted all the steps and appeals outlined by this catalog and the dean of students, you may present your complaint to the Western Association of Schools and Colleges (WASC) at wascsenior.org/comments if your complaint is associated with the institution’s compliance with academic program quality and accreditation standards. WASC is the agency that accredits Providence Christian College's academic program.

If you believe that your complaint continues to warrant further consideration after exhausting the review of either WASC or administrators at Providence Christian College, you may contact the Bureau for Private Postsecondary Education for review of a complaint. The bureau may be contacted at 2535 Capitol Oaks Drive, Suite 400, Sacramento, CA 95833, bppe.ca.gov, (916) 431-6924 (phone), and (916) 263-1897 (fax).

Nothing in this disclosure should be construed to limit any right that you may have to take civil or criminal legal action to resolve your complaints. Providence Christian College has provided this disclosure in compliance with the requirements of the Higher Education Act of 1965, as amended, as regulated in CFR 34, sections 600.9 (b) (3) and 668.43(b). If anything in this disclosure is out of date, please notify the Office of the Registrar.
ACADEMIC PROGRAMS AND REQUIREMENTS

LIBERAL STUDIES MAJOR

A liberal studies major seeks to capitalize on the integral nature of learning that characterizes a liberal arts education. The danger of specialization, an obsession in the modern academy, is that it takes away from seeing the world in a holistic manner. This is particularly detrimental for Christians, who understand that all of life is created, sustained, and given meaning by the divine Logos, Jesus Christ. A liberal studies major allows students to see that all of life is ordered by the divine creator-sustainer.

The goal of a liberal arts education is to produce critical creative citizens—young men and women who confidently engage the world in order to work toward a society in harmony with God’s good creational order. A critical student humbly seeks to interpret God’s world aright, understanding its basic nature to live accordingly. God commissioned humanity to watch over, protect, and name the creation. Such a duty requires patient and responsible examination. Second, as image bearers of God, humans are fundamentally creative agents, cultivating their humanity by creating. It’s not that we create out of nothing, but, rather, create (i.e., develop) from what God has graciously given to us. Finally, a person trained in the liberal arts will be a highly valued and value-minded citizen. Someone equipped with a biblical liberal arts education is well positioned to face a variety of experiences and thus have a more positive impact locally and globally.

Cultivating the critical and creative is to live in accordance with who we are as image-bearers of God; in this way, we come closer to understanding who God is, which, in turn, moves us in the direction of gaining a better understanding of what it means to be human, for a true knowledge of God, the Creator, results in a true knowledge of the self, the creature.

MISSION STATEMENT:

The major in liberal studies provides students with a unique opportunity to view the world in a holistic and unified manner. Rather than examining reality through the lens of only one discipline, students are able to view life and the world from a number of perspectives. The multifaceted and integral nature of creation, which was formed and is held together by the Incarnate Word, Jesus Christ (John 1:1-3; Colossians 1:16-17; Hebrews 1:1-3), is explored and appreciated, both for its unity and its cohesion. A student with a major in liberal studies will have gained a broad understanding and appreciation of God, his creation, and life within it and will be equipped with the tools to research problems, evaluate evidence, and communicate conclusions.

PROGRAM LEARNING OUTCOMES:

Core competencies to be assessed for all Providence students. (Bullet points indicate elaboration of meaning and point to the kind of evidence appropriate for assessment.)
1. Interdisciplinary Competence: Students will be able to produce evidence of the ability to make connections across the disciplines of the Liberal Arts (humanities and sciences) curriculum.
   a. Articulate a Reformed biblical perspective that is integrated in all areas of study
   b. Integrate a broad liberal arts perspective through self-reflection and participation in experiential education
   c. Exhibit awareness of diversity in both historical and contemporary cultures (* see number 5)
   d. Construct and effectively present research using quantitative and qualitative reasoning and scientific data
   e. Create capstone projects that reflect interdisciplinary competencies and a love of life-long learning

2. Creative- and Critical-Thinking: Students will be able to critically evaluate claims and research, consider multiple perspectives, discern sound premises, and develop biblical viewpoints and creative solutions to problems.
   a. Incorporate a Reformed Christian worldview into thought, attitudes, and actions, seeking to diminish the power of egocentric and socio-centric tendencies
   b. Work diligently to develop the habitual virtues of intellectual integrity, humility, civility, empathy, and justice
   c. Think with contextual discernment in order to live reflectively, rationally, reasonably, and compassionately
   d. Analyze and evaluate issues objectively in order to form sound judgments and reasoned actions
   e. Develop and demonstrate creativity, innovation, and imagination

3. Media and Information Literacy: Students will understand the functions of media and other information providers to evaluate critically and make informed decisions as users and producers of information and media content.
   a. Use media, information, and technology as a redemptive tool
   b. Foster responsible, conscientious engagement in digital communication and communities
   c. Embody the knowledge, skills, and attitudes needed to research with wisdom and discernment
   d. Demonstrate media literacy by accessing, evaluating, using, producing and communicating information and technological content
   e. Communicate transparently by identifying and accounting for presuppositions and biases in media resources

4. Communication: Students will be able to communicate across diverse audiences effectively, creatively, and persuasively in oral, visual, and written formats.
a. Assimilate a biblical worldview into all types of communication  
b. Weigh the personal, social, ethical, and spiritual consequences of communication and honor the dignity of every person as created in the image of God  
c. Create effective communications for intercultural and cross-cultural contexts  
d. Communicate collaboratively with others in discovering truth and developing solutions to complex problems  
e. Promote reasoned and civil discourse in philosophical, political, and religious arenas  

5. Cross-Cultural Engagement and Community Connectedness: Students will exhibit biblical habits of the heart through nurturing respect for all, building a sense of community belonging, and being responsible and active global citizens  
   a. Nurture wisdom and discernment (Deeper Learning for Greater Wisdom™) in order to fulfill God’s mandate for faithful stewardship over the creation and service to humanity  
   b. Serve God and neighbor through compassionate moral action with a clear sense of calling for the service of humanity and glorification of God  
   c. Assume an active role in facing and resolving community and global challenges in order to become proactive contributors in the redemption of creation  
   d. Participate in the complex process of developing wisdom, discernment, and maturity by committing to lifelong learning
GRADUATION REQUIREMENTS

Upon recommendation of the faculty and approval by the board of directors, the degree of Bachelor of Arts is conferred upon students who have met the following requirements for graduation:

1. **Unit Requirements**  
   Students must complete a minimum of 128 total semester credit hours. For transfers, at least 64 credits must be taken at Providence.

2. **GPA Requirement**  
   Students must earn a minimum C average (2.00 GPA on a 4.00 scale) in courses taken at Providence and in the concentrations. Students must also earn a C or better in each concentration course numbered 300 or higher.

3. **Core Liberal Studies Requirement**  
   See the Core Liberal Studies Curriculum below for more details.

4. **Concentration Requirements**  
   All students must select an area of concentration and fulfill the curricular requirements within said concentration. A minimum of half a concentrations credit/course requirements must be met through coursework taken at Providence. [Minor concentrations are optional and are, therefore, not required.]

5. **Residence Requirements**  
   All students must complete 16 of their last 32 semester credit hours in residence. To be considered in “residence”, students must be registered for classes at Providence or through one of its approved affiliate programs. Transfer students should expect to be enrolled at Providence for at least four semesters.

See the Registrar’s Office for any additional clarification.

### Areas of Concentration

Providence Christian College offers concentrations in the following areas for 2021-2022:

- Biblical and Theological Studies (Biblical Languages option) - BTS
- Business, Economics, and Entrepreneurship - BEE
- Communication and Media Arts - CMA
- Education - EDU
- Health and Life Sciences - HLS
- Politics, Philosophy, and History – PPH
- Psychology – PSY
Descriptions of these areas of concentration can be found in the Academic Catalog beginning on page 96 in the Academic Concentrations section.

**CAPSTONE COURSES**

The Liberal Studies major at Providence Christian College culminates in two capstone courses (LBS 490 and LBS 495). These courses are designed to allow students to demonstrate their mastery of institution-wide learning outcomes as well as their achievement of competency in their chosen area of concentration. Faculty members will determine the components of these courses including goals, objectives, and methods of assessment appropriate for the particular concentration.

**AVODAH EXPERIENCES PROGRAM**

In keeping with the mission of the College and in order to equip students to effectively engage the diverse local and global community, Providence sponsors Avodah Experiences. **Avodah**, a Hebrew term, which has a dual meaning of work/service or worship/service, encapsulates this program well. This term is rooted in the biblical framework that all of life should be lived as a spiritual act of worship for God's glory in light of His delivering us from our bondage to sin (Deut. 10; Romans 12:1,2). This Reformed, biblical perspective on work and worship acknowledges Christ’s Lordship over all creation (1 Cor. 10:31; Col. 1:15-20); therefore, the College offers a broad spectrum of experiences. All of creation is meant to be understood, explored, and subdued (Gen. 1:28), but we are also called to work and serve as salt and light in this world (Matthew 5:13-16; John 21:15-17).

Avodah Experiences emphasize a holistic view of education, giving practical application of theoretical teaching in the classroom through day trips and extended cross cultural immersion experiences. The purpose of the inclusion of this content in our courses to learn about culture and kingdom service by exploring the broader culture -- including the people, worldviews, artifacts, traditions, languages, etc. that make up that culture.

In addition to Avodah Experiences, students are given the opportunity to participate in Avodah Immersions that involve extended cross-cultural immersion experiences (1-3 weeks). These trips occur primarily during May term.

**WITHERSPOON SCHOLARS**

The Witherspoon Scholars program is an honors program within Providence Christian College. Its purpose is to cultivate civic leaders through an intensive educational curriculum and on-campus leadership activities. Membership is open to incoming freshmen and transfer students under the discretion of the program director and Provost.

**PROGRAM FEATURES**

Witherspoon Scholars may choose whichever concentration they like. Special courses or directed studies may be available exclusively to enrollees on an ad-hoc basis. As a distinctive part of the program outside of any self-selected courses, all enrollees will participate in a reading calendar beginning the Fall semester of their freshman year and will continue till the conclusion of their
senior year. Pursuant to this requirement, enrollees will meet no more than four times a semester with the program director for seminars on required readings. Consistent failure to complete readings or unsatisfactory performance in seminars can be grounds for a revoked scholarship or dismissal from the program. Additionally, enrollees are encouraged, but not required, to seek leadership positions within Providence Christian College.

At the conclusion of all enrollees’ Sophomore year, a review process will begin wherein the program director and Provost will survey a portfolio of completed academic work as well as an assessment of on-campus leadership and behavior. If an enrollee’s work is found to be unsatisfactory or their behavior unbecoming, the program director reserves the right to dismiss the enrollee from the program.

Students who successfully complete their Junior year within the program are entitled to participate in an all-expense paid trip abroad. The trip will account for course credit and will be academic and educational in its content and execution. Final destinations, itineraries, and amount of course credit are to be finalized in accordance with available options. In any given year, a trip is planned and undertaken.

**Academic Expectations**

All enrollees are expected to maintain a minimum GPA of 3.0 during their Freshman and Sophomore years. As upperclassmen, enrollees are expected to maintain a minimum GPA of 3.2. Consistent performance below this metric is grounds for removal from the program. Any appeals for poor academic performance will be heard by the program director and Provost and answered on a case-by-case basis. Finally, all enrollees are expected to complete calendar readings and be prepared for their monthly seminars.

**Off-Campus Study Programs**

Several colleges offer off-campus programs in which Providence students may participate on a space-available basis. These various programs have their own minimum academic requirements for participation. Students interested in these programs should prepare themselves for these requirements. Students must also pay for these classes.

Providence scholarships and grants awarded for on-campus coursework (such as the College Aid Grant) or require specific on-campus obligations as a condition for the award cannot be applied to off-campus programs. Students are responsible for contacting the financial aid department for further details. In considering these programs, students should work with the Registrar and contact the host institutions for the most up-to-date information. Additional information can be found through the Registrar’s Office.

2021-2022 ACADEMIC CONCENTRATIONS

Concentrations are in addition to the Core Liberal Arts Curriculum.

1. A course may not be double-counted as fulfilling a requirement in both the Core and a Concentration.

2. A course listed as fulfilling both Core and Concentration requirements will normally be counted as fulfilling the Concentration requirement, and another course taken to fulfill the Core requirement. With approval from the academic adviser, a course may instead be counted in the Core and another course taken in its place for the Concentration.

3. No more than half of the courses in a Concentration may be transferred from another college.

CONCENTRATION MINORS

In addition to the required major concentration that students are asked to complete at Providence, students may also choose to pursue a minor concentration that consists of five (5) courses from any other concentration. These five courses will consist of one (1) course that is required by the chair of the major concentration and any four (4) additional courses from the major concentration that the student chooses for a total of 20 units.

Guidelines:

- A minor concentration is optional.

- Minor concentration completion will be recorded on the student’s transcript only, not the diploma

- Students may transfer (one) course or up to four credits from another institution with approval from the concentration chair in which the minor concentration is granted.
BUSINESS, ECONOMICS, AND ENTREPRENEURSHIP (BEE)

Providence Christian College's Business, Economics, and Entrepreneurship (BE&E) concentration explores principles of business and economics in the dynamic environment of entrepreneurship. The BEE curriculum, in conjunction with the broader liberal arts education, prepares students to be creative and innovative problem-solvers. The information learned in this concentration is directly tied to fulfilling the gospel’s cultural mandate (Gen 1:26), while at the same time identifying how a vocation in business relates to Christ’s work of “making all things new” (Rev. 21:5).

The BEE concentration begins in the first year by laying the essential groundwork for critical thinking with a core focused upon economics, mathematics, philosophy, political theory, religion, and Western Civilization. Additional courses on composition and presentation require students to not only learn material but communicate information cogently and persuasively—essential skills in business. BE&E majors are also introduced to entrepreneurial thinking that shapes the concentration in enrolling their first year in “Principles and Practice of Innovation.”

Second-year students complete additional studies in the liberal arts core while enrolling in Microeconomics & Macroeconomics in the Fall and Spring semesters, and also having the option to advance to the study of Financial & Managerial Accounting in their second or third year of study.

Upper-class BEE students enroll in classes on Marketing, Christian Ethics, Finance and Political Economy. Electives and other core course requirements round out a student’s academic preparation, before their program culminates in their participation in the BEE program: the “Capstone Launch.”

The fourth-year “Capstone Launch” helps prepare students for entering the world of business by encouraging them to conceive and apply entrepreneurial ideas to real-world opportunities and challenges they will encounter in the marketplace. The goal of the Capstone Launch is that students employ all of the elements of their Providence Christian education in an applied and experiential setting.

Leadership in business requires agility to act wisely within the moment, while never losing sight of the long view. By grounding the study of business in religion, history, philosophy, politics, and economics, Providence seeks to put students on the path to this kind of balanced insight. We prepare our graduates to be innovators and leaders within an interconnected, dynamic economy, able to work expertly, confidently, and ethically at every stage of their career.

Mission Statement:

The mission of the Business, Economics, and Entrepreneurship (BEE) concentration at Providence Christian College is to develop lifelong learners that can think critically, communicate
effectively, and operate a business or businesses innovatively within a biblical framework in the marketplace.

**Concentration Learning Outcomes:**

After active participation and completion of this program, students will be able to:

1. Demonstrate a significant understanding of the fundamental concepts of accounting, economics, management science, management and organizational behavior, and marketing through the lens of entrepreneurship.
2. Evaluate business problems from the perspective of multiple business disciplines and then formulate, communicate, and defend recommendations to decision-makers based on those evaluations.
3. Produce clearly written, concise analyses, and deliver clear, well organized, persuasive oral presentations.
4. Work more effectively with others by:
   a. understanding and recognizing the importance of diversity or inclusion.
   b. understanding one's own unique cultural background and the backgrounds of other students and faculty members
   c. developing effective interpersonal interactions.
   d. developing effective group interactions.
5. Articulate a Christian and Reformed perspective on business, economics, and entrepreneurship.

BIBLICAL AND THEOLOGICAL STUDIES (BTS) – BIBLICAL LANGUAGES (BL)

The Bible is God’s written word, his special revelation about himself, his world, and how we are to live in it. A biblical perspective thus profoundly shapes everything else we study at Providence, and this means that students must know the Bible and what it teaches. The four semesters of Old and New Testament Studies and Theology in the Core enable students to study the entire Bible, its historical background, theological teaching, and relevance for living in today’s world.

With a Biblical and Theological Studies Concentration, students are able to build on this introduction and pursue in-depth biblical study, as well as systematic and historical theological study, drawing in particular on the riches of the Reformed heritage and its encounter with other views. Students will typically begin their study in the concentration by learning the principles and history of biblical interpretation (Hermeneutics) and examining the biblical basis for the life-sustaining doctrine of grace, in conversation with other views (Reformed Doctrine and Life). Then they will have the opportunity for a close textual and theological study of an Old Testament or New Testament corpus (Genesis and Torah or Pauline Literature), as well as a survey of the Spirit’s guidance of the church over the centuries (History of Christianity I and II). Students will also study Apologetics, equipping them to defend the faith in today’s world, with both intellectual rigor and interpersonal compassion. For their summative experience in the concentration, students will participate in three advanced seminars, engaging exciting areas of current scholarship in biblical and theological studies. Thus, throughout their four years, students will be equipped to rightly handle the word of truth, to meet contemporary challenges, and to understand the difference theology makes for our service in the church and the world. Most of all, we seek by this study to know God better, and thus to be better ambassadors for Christ in a broken world.

A concentration in Biblical and Theological Studies prepares students to effectively and faithfully serve the Lord in many different callings in the church and society. The ability to think carefully with biblical principles is crucial for entrepreneurial careers in the business world. The concentration provides the biblical and theological foundation necessary for Bible teaching, missions, counseling, social work, international relief and refugee work, as well as for graduate study in those fields.

Pre-Seminary track: supplemental Biblical Languages training

For those contemplating seminary training, broad exposure to the liberal arts (in the Liberal Studies major) is ideal. Alongside that, the most important preparation is mastery of the biblical languages. The best seminary programs teach from the original Greek and Hebrew texts.

This language training provides a course of study in biblical Hebrew (the language of the Old Testament) and biblical Greek (the language of the New Testament). Students will learn to read and exegete the Bible in these original languages, and thus be best equipped for graduate level biblical and theological studies.
Students may supplement a BTS concentration, or any other concentration in the Liberal Studies major, with this course of study. They take either 2 years of Greek (Beginning and Intermediate) and 1 year of Hebrew (Beginning), or 2 years of Hebrew (Beginning and Intermediate) and 1 year of Greek (Beginning).

Learning these languages greatly enriches one’s study of the Bible. Familiar texts come alive in new ways, and the student gains a deeper understanding of key concepts and themes. This study will thus enhance all other study in the Biblical and Theological Studies department, as well as application of the biblical perspective in each other discipline, and the student’s personal Christian life and calling. For those who are pursuing Christian ministry or teaching, or further biblical study, learning the biblical languages is a prerequisite for responsible interpretation.

**Mission Statement:**

The mission of the Biblical and Theological Studies and Biblical Languages department is to equip students with the content of the Bible, its historical context and proper methods of interpretation, and the Reformed theology which summarizes its teachings. Students also learn to apply this biblical content and theology to contemporary life and culture, and to their own personal lives, leading to spiritual growth and ministry in the church and the world. Students also develop the skills to communicate this biblical and theological reasoning and conclusions effectively in both speaking and writing.

**BTS Learning Outcomes:**

After active participation and completion of this program, students will be able to:

1. **Demonstrate a knowledge of the entire Bible (Old and New Testament Scriptures), including its diverse historical, cultural, and literary contexts.**
2. **Employ proper methods of interpretation in their study of Scripture (hermeneutics), including critical and analytical reasoning, contextual exegesis (grammatical-historical), and theological (comparative scriptural, canonical), as well as make use of the appropriate tools for this study.**
3. **Demonstrate a knowledge of the systematic teaching of Scripture, especially with reference to the theology of the orthodox creeds and the Reformed tradition, as well as an ability to fairly evaluate alternative perspectives, sensitive to the role of presuppositional commitments.**
4. **Apply this teaching to our contemporary global context, relating it to the full range of current culture and concerns (in terms of the biblical and Reformed framework of creation, fall, redemption, and consummation), and apply it personally, leading to spiritual growth and ministry within church and society.**
5. **Communicate effectively both the process and conclusions of biblical and theological study, in both oral and written venues.**
**BL Learning Outcomes:**

Students pursuing biblical languages will be able to:

1. Demonstrate a proficiency in the basic elements of grammar and syntax for both biblical Hebrew and Greek, showing an understanding of the linguistic categories, as well as mastery of a basic vocabulary sufficient for reading Hebrew and Greek biblical texts.
2. Pursue exegetical study of the Hebrew Bible (Old Testament) or the Greek New Testament, critically evaluating exegetical arguments based on their knowledge of the language, and utilizing the tools for such study (text-critical apparatus, advanced lexicons, grammars, commentaries, and scholarly articles).
3. Appropriate their knowledge of Hebrew and Greek for reading, studying, interpreting, and teaching the Bible to diverse audiences.
4. Apply insights gained in the text of the Hebrew Bible (Old Testament) and Greek New Testament to the contemporary global context and to their own personal lives and callings.

COMMUNICATION AND MEDIA ARTS (CMA)

The Communications and Media Arts (CMA) concentration explores the fundamental questions of human existence and experience, such as “Who are we?” “Why are we here?” and “How should we live?” through a specific engagement with spoken, written, and visual forms of communication and media.

At Providence, we believe that all God created was created good, even the language He gave us to communicate with one another. Communication in its multiple forms is an incredible gift; we’re the only creatures of creation given it, which clearly illustrates that it is designed specifically for us. However, though this great gift has been given to us, we know and confess that creation is fallen, and sin taints every aspect of our lives, communication being no exception. We can see this expressed in all forms of communication, from the harsh and corrosive way individuals speak to one another on social media, the news, and even to each other privately, to the disturbing, and oftentimes heartbreaking sinful and broken realities we might encounter in novels, poetry, and movies.

With this in mind, Providence teaches and believes that the Christian’s responsibility is not to recoil from this brokenness but to recognize that these are real and honest truths of our sinful reality, while also understanding that, because communication was created good and given to us as a gift, there is a way to use it in order to seek the truth, beauty, and goodness of creation, so that we might better learn how to love and serve both God and neighbor. Furthermore, as human beings made in God’s image who abide by the Living Word, who is Christ, and the Revealed Word, the Scriptures (as shared in John 1), Christians have an even greater call and responsibility to a study communication in all its forms, as God has chosen to communicate with us and reveal Himself to us through this gift of human language in His written Word.

Moreover, the revealed Word is also the greatest and grandest of stories, one which compels us to study its complexities for truth, wisdom, and understanding, to find both our place as Christians and God’s place as our creator and Savior in this world. In the same way, communication, at its foundational level, can be understood as story, wherein, through study, we as humans can learn further about creation, ourselves, and our neighbors, in order to seek to love Christ and our neighbors as ourselves, both looking forward to and working toward the redemption of this fallen world.

With this understanding, students who choose to pursue studies in CMA at Providence will become immersed in this Creation, Fall, Redemption framework, studying the art of communications, to learn, analyze, practice, and implement the tools of great storytellers who came before them. CMA students will not simply study the great cultural works of literature and film for the sake of their study, as can often be the case with many other programs, nor will they come to understand it as frivolous culture creation, as can often be part of certain Christian perspectives. Rather, students will be pushed to come to the joyful understanding that storytelling is an incredible creative and redeeming tool through which to share the painful realities of sin, but also
the even more powerful and joyful realities of redemption in Christ, bringing truth, beauty, and
goodness to the world, both believer and non-believer alike. This is an exceptional viewpoint for
this study, which is further solidified by a strong foundation in a broad and deep liberal arts
education. With this foundation, students will be equipped with the communication and media
skills necessary for Kingdom work in a myriad of fields, as well as receive a strong foundation for a
graduate degree in language degrees, such as literature, communication, poetics, rhetoric and
composition, creative writing, journalism, and more, where they might joyfully serve and love their
Lord and neighbor in their redemptive Kingdom calling.

**Concentration Course Overview:**

During their first year, students will enroll in COM 101. COM 101 is an introduction to public
speaking course where students will explore the fundamentals of public speaking and learn to
communicate their ideas vocally in a powerful and compelling way. While taking this course,
students will be further supported by the vast liberal arts foundation they receive in their first and
second year, with a focus upon composition and writing, philosophy, political theory, religion, and
Western Civilization courses.

Second-year students complete additional studies in the liberal arts core while enrolling in
American and British Literature courses, Visual Storytelling and Communication, and Principles of
Cultural Interpretation. These courses are meant to give second year students an introductory
foothold in the CMA concentration, slowly introducing them to fundamental concepts of literature
and film, while they still complete major requirements in the core.

Third-year students enroll in the final three required courses for the CMA concentration, New
Media, Poetry, Philosophy of Fine Art, and Comparative World Literature, along with one or two
elective courses, while finishing out their core liberal arts requirements.

In their fourth and final year, students will round out their final degree requirements by completing
the two-semester capstone course, which will prepare them for future careers and future studies
and filling in with any other electives that are needed. Students also will have the option to spend a
semester abroad during this year to complete their elective requirements.

**Mission Statement:**

Communication and Media Arts (CMA) concentration at Providence Christian College seeks to
develop the understanding and practice of communication and media arts from a Reformed
Christian perspective by critically examining, interpreting, evaluating, and appreciating the great
cultural works of story, specifically literature and film, in light of a redemptive Biblical worldview.
Equipped with this knowledge, students will be pushed to be both conscious consumers and
creators of the communication and media arts, thoroughly prepared to begin the redemptive
Kingdom work to which they have been called.
**Concentration Learning Outcomes:**

After active participation and completion of this program, students will be able to:

1. Understand and articulate the historical, cultural, and stylistic contexts employed in the production of the communication and media arts.
2. Systematically analyze, interpret, and evaluate the major tools and techniques used in the formation and production of the communication and media arts.
3. Articulate central issues and debates in both the philosophy of the communication and media arts and our postmodern world that the communication and media arts address and employ today.
4. Confidently use the knowledge of these central issues and debates to analyze and interpret major forms of the communication and media arts, such as literature, film, tv, media, both print and broadcast, in light of a Reformed Christian perspective.
5. Employ all of these tools and techniques used in the communication and media arts to create and produce redemptive communication and media art for the glory of God and furthering the work of His Kingdom.

EDUCATION (EDU)

The Education concentration at Providence Christian College is designed to equip students to teach from a distinctly Christian perspective in a manner that exalts the person and lordship of Jesus Christ. Throughout the program, students will be given opportunities to observe and serve in local schools under the mentoring guidance of master Christian teachers. The goal is to prepare students to teach in Christian, private, and state schools, church education programs, in overseas missions, and homeschool settings. Students will be trained to teach in a biblically faithful, kingdom-advancing, and God-glorifying manner.

The EDU concentration begins in the first year by laying the essential groundwork for critical thinking with a core focused upon economics, mathematics, philosophy, political theory, religion, and Western Civilization. Additional courses on composition and presentation require students to not only learn material but communicate information cogently and persuasively—essential foundational skills in education. Students are encouraged to take Philosophy and Foundations of Education (EDU 101) during the second semester of their freshman year in order to develop a distinctly Christian view of education and to explore the field in a way that allows them to answer the question: “Am I called to be a teacher?”

Second-year students complete additional studies in the liberal arts core while enrolling in Curriculum and Instruction and Current Issues in Education in the Fall and Spring semesters, as well as having the option to begin an internship in a classroom in a local school. Students may also begin classes in instructional methods.

Upper-class EDU students enroll in classes on Exceptional Learners, Student Diversity, Reading, Language, and Math, Science and Bible Methods, while completing their internship requirements. Other core course requirements round out a student’s academic preparation, before their program culminates in their participation in the EDU Capstone.

The fourth-year students at Providence have the unique opportunity to do their Capstone in tandem with a 14 week student teaching opportunity or to do a traditional education capstone research project. Students who complete student teaching will be eligible to apply for ACSI teaching certification, enabling them to teach in Christian schools in North America and all over the world. Any student wishing to be credentialed through the state of California should, upon graduation from Providence, enroll in a fifth year credential program at a college or university approved by the California Commission on Teacher Credentialing. The goal of the education concentration is to prepare students to carry out their calling to teach in any setting.

Mission Statement:

The Education concentration exists to prepare students to be excellent teachers who are inspired and equipped to teach in a God-glorifying manner in whatever setting they are called.
Concentration Learning Outcomes:

After active participation and completion of this program, students will be able to:

1. Articulate a Christian and Reformed, biblical perspective on education.
2. Communicate a strong understanding of the history, philosophy, and psychology of education.
3. Identify professional and Christian solutions to current issues in education.
4. Think Christianly about student diversity and needs of individual learners in order to teach compassionately and effectively.
5. Integrate current education practice into instructional planning and delivery to create effective student learning outcomes.

Concentration Course Requirements:

The prescribed 24 units must be completed to receive an Education concentration. Students may do an additional 15 units of student teaching and additional methods courses to also receive an ACSI certificate. Students wishing to teach at the secondary level must pass the CSET for their chosen field of instruction.

HEALTH AND LIFE SCIENCES (HLS)

Providence Christian’s Health and Life Science Concentration exists to prepare students interested in the fields of Physical or Occupational Therapy, Nursing, Pre-Med programs, Athletic Training or Exercise Science, and Nutrition. The Health and Life Science Concentration challenges students to think biblically and ethically as they strive to improve the health of society by practicing biblical stewardship and compassion in their studies and workplace. Our Reformed perspective enlightens the areas of challenge related to medicine, health care, human performance, and sport. HLS serves to answer the Creator’s call to care and advocate for the diversity, organization, and functioning of the living world and provide a Christian model for its study, care, and keeping. It is our mission to prepare the next generation of professionals for careers in patient care, wellness, fitness, and more. As we reflect on imago dei, we commit wholeheartedly to the care and advocacy for each life and their well-being.

Students will be exposed to many pre-requisite courses that will help them determine the distinct path within Health and Life Sciences they wish to pursue. The eight core courses form a strong foundation and will prepare HLS students for whichever post-graduate program they enter. The electives offered delve into more specific areas of emphasis while still aiming to prepare all HLS students for their desired graduate programs. Gaining experience in a variety of areas of the discipline, including anatomy and physiology of the human body, chemistry, biology, physics, kinesiology, exercise physiology, and nutrition, enables students to pursue a vocation with a broad spectrum of knowledge. HLS also delves into the behavioral sciences, including human development, social psychology, sociology, cognition, learning, and personality, to ensure students are trained in a holistic approach to health and life. HLS advisors work closely with HLS students to ensure they are taking the courses needed for their respective post-grad programs and help pursue additional courses elsewhere when needed.

Students are highly recommended to take the Apprenticeship course offered to allow involvement in the clinical nature of the health field and to further strengthen the theoretical concepts of holistic care covered in the classroom. In Health and Life Sciences today, experience and exposure to the field is key in order to make an educated affirmed decision of one’s career choice. Additionally, most graduate programs expect students to have participated in an internship or shadowing opportunity prior to entering said program.

Having experienced a Christian Reformed Liberal Arts education will not only benefit these HLS students, it will benefit the Health and Life Science field as a whole. As our HLS students graduate, there will be more critical thinkers that are thoroughly educated in the arts, firmly grounded in their faith, and adept in their Health and Life Science foundation, ready to continue their studies and prepared to be a witness for Christ and a competent and caring advocate in the Health and Life Science Field.
Mission Statement:

The Health Science concentration exists to empower students to provide ethical and compassionate service to the local and global community by providing rigorous HLS coursework with a foundation of liberal studies to prepare students for the various Health Science related post-graduate programs they pursue.

Concentration Learning Outcomes:

After active participation and completion of this program, students will be able to:

1. Express and demonstrate a theoretical and practical understanding of the diverse and rapidly changing health and life science environments in local and global contexts.
2. Demonstrate the quantitative and qualitative skills necessary to assess, plan, direct, create, organize, and coordinate activities and research required in health or life science settings.
3. Utilize knowledge about regulations, legal, cultural, and ethical issues to make informed decisions and provide directives that promote maximum health initiatives for the individual, family, and society.
4. Embody and promote dignity and respect for the individual by demonstrating culturally competent care to individuals from various ethnic and cultural backgrounds.
5. Enhance the student's understanding of the political, social, legal and ethical issues that may be encountered and have an impact on areas of health care practice.
6. Refine his/her life experience, leadership, moral and ethical decision-making, innovation and entrepreneurship in health care knowledge through academic inquiry while using current, practical health and life science models.
7. Be educationally positioned to take a leadership role in a health or life science environment and to continue their studies toward a graduate degree, if he/she chooses.
8. Integrate a Reformed perspective through bringing redemption and reconciliation for all who need to experience healing and health, in their physical, emotional, mental, and spiritual lives.

PHILOSOPHY, POLITICS, AND HISTORY (PPH)

The Philosophy, Politics and History (PPH) concentration explores the big questions and big ideas of human nature, human culture, and human communities. Philosophy examines (among other things) what is real, how that can be known, and how we should then live. Politics considers various ways the communities might live out the answers to such questions and history investigates how such ideas have been enacted in the past and why our current situation is as it now is.

The aim of such learning has traditionally been wisdom – a wisdom borne of exploring big questions and big ideas from multiple angles, especially by bringing them to texts that have stood the test of time. This program of study is rooted in great thinkers and their writings, thinkers from Ancients such as Plato and Aristotle, to Medievals such as Augustine and Aquinas, to Moderns such as Immanuel Kant and John Locke, to many contemporary theorists. By approaching Philosophy, Politics and History from an interdisciplinary humanities perspective such as this, rooted in a theologically informed Christian Worldview, PPH students gain knowledge, insight, and creativity as they seek to grasp what things truly matter and why, and how that redounds to the glory of God and the good of people.

God’s cultural mandate enjoins our participation in bringing His Kingdom shalom into every aspect and corner of human existence. By training students to engage such big questions and big ideas from a number of fields, this concentration enables them to grapple with questions of human flourishing theoretically, practically, and historically. Therefore, this concentration can be excellent preparation for careers not only in philosophy, politics and history, but also for law, public policy, and for seminary, among others.

The PPH concentration begins in the first year by laying the essential groundwork for critical thinking with a core focused upon economics, mathematics, philosophy, political theory, religion, and Western Civilization. Additional courses on composition and presentation require students to not only learn material but communicate information cogently and persuasively—essential skills in business. PPH majors are also introduced to entrepreneurial thinking that shapes the concentration in enrolling their first year in “Principles and Practice of Innovation.”

Second-year students complete additional studies in the liberal arts core while enrolling in two history classes, Greek and Roman History and Renaissance and Reformation, in the Fall and Spring semesters.

Upper-class PPH students enroll in classes on Classical & Medieval Philosophy, Modern & Post-Modern Philosophy, Ethics, Comparative Government, Democracy in America, and International Relations. Electives and other core course requirements round out a student’s academic preparation, before their program culminates in their participation in their Capstone project, the goal of which is for students to employ all of the elements of their Providence Christian education in independent research and exposition.
**Mission Statement:**

The Philosophy, Politics, and History (PPH) concentration is designed to equip students with the ability to understand and evaluate contemporary culture by providing a sound overview of the central events, issues, and ideas that have shaped our world and then developing the critical and personal skills necessary to engage it from an informed and Reformed Christian worldview for the good of others and the glory of God.

**Concentration Learning Outcomes:**

After active participation and completion of the PPH program, graduates will be able to:

1. Demonstrate substantial comprehension of some of the major ideas, issues, debates, and texts from ancient, medieval, and modern Western philosophy, politics, and history.
2. Understand the development of philosophy, politics, and history in relation to Christianity and in particular the Reformed tradition.
3. Show competency with the critical thinking skills and conceptual tools, writing styles, and reasoning methods appropriate to philosophy, politics and history.
4. Display the ability to engage with seminal philosophers, statesmen, and historians, both past and present, considering why, how, and to what end these disciplines provide us with an understanding of the human condition and our place in God’s created order.
5. Exhibit facility in presentation and verbal communication skills appropriate to the philosophy, politics, and history disciplines that evinces both Biblical wisdom and Christ-like love.

PSYCHOLOGY (PSY)

The Psychology (PSY) concentration is designed to equip students with the ability to understand and practice within fields associated with psychology by providing a sound overview of the psychology discipline from an informed and Reformed Christian worldview for the good of others and the glory of God.

The PSY concentration begins in the first year by laying the essential groundwork for critical thinking with a core focused upon economics, mathematics, philosophy, political theory, religion, and Western Civilization. Additional courses on composition and presentation require students to not only learn material but communicate information cogently and persuasively essential skills in the field of sports psychology.

Psychology general track students are also introduced in their first year to psychology, human development, and an understanding of psychology from a Christian perspective in their enrollment in Lifespan Development. Second-year students complete additional studies in the liberal arts core while enrolling in two classes, Theories of Human Nature Current Issues in Psychology in the fall and spring semesters.

Upper-class PSY students enroll in classes in Philosophy of Psychology, Ethics, Abnormal Psychology, and Neuroscience. Electives and other core course requirements round out a student’s academic preparation, before their program culminates in their participation in their Capstone project, the goal of which is for students to employ all of the elements of their Providence Christian education in independent research and exposition.

Mission Statement:

The Psychology concentration of Providence Christian College exists to enhance the holistic development of students through nurturing student knowledge, skills, and attitudes necessary for the observation, understanding, and analysis of human behavior, and by developing, through the study of educational, social, sports and exercise, abnormal, coaching, and positive psychology an understanding of how the human soul can best flourish for God’s glory.

Concentration Learning Outcomes:

After active participation and completion of this program, students will be able to:

1. Obtain a critical understanding and ability to apply theoretical and scientific knowledge from the sub-disciplines of educational, social, sports and exercise, abnormal, coaching, and positive psychology.

2. Effectively communicate the essential theories, scientific applications, and Christian ethical considerations related to human nature and psychology.
3. Access and employ contemporary scholarship on the practice of a variety of disciplines within psychology.
4. Recognize and consider best approaches as applied to developing human flourishing.
5. Articulate a Christian and Reformed perspective on the study of the human soul, and human development

Art (ART)

111 Drawing I
Drawing I is an introduction to drawing, training students in the rigorous foundation skills of the medium. The focus of the course is on the development of drawing from observation with direct hands-on instruction intended to bring students from a basic understanding of technique and application to a more advanced proficiency in drawing. The class will explore different methods of drawing and seeing, with assignments that highlight different perceptual skills. Course objectives are to train the student to shift into new ways of thinking about and looking at a subject, which will enable closer, more intensified observation to take place. Students will develop the ability to interpret three-dimensional visual information and translate it to a two dimensional surface. The course will provide practical exploration of visual fundamentals, such as: line, shape, value, volume, texture, space, light and composition. In addition to a basic understanding of spatial illusion through the use of atmospheric and linear perspective, we will explore a variety of techniques and styles that will touch on the expression of emotion and conceptual content. (4 credits)

112 Drawing II
Drawing II is a more advanced drawing course that begins to incorporate conceptual ideas about Art into Drawing. The class stresses the development of rigorous technical drawing skills, but also begins to expand the definition of the medium of drawing and encourages expressivity. One distinct difference from Drawing I is that there will be no assigned homework but rather a weekly expectation that each student be working on their own to create something to bring to each class to be discussed. This work will be done outside of class and is based on each individual’s interests and explorations of the medium of drawing. Each student will work in their own way, with materials that are most appropriate for what it is that they are doing. Each week the class will conduct group critiques, similar to our homework and project critiques in Drawing I, but there will be a greater diversity in what people will do, the definition of drawing will be expanded to include anything someone deems to be "drawing". There are no limits. This means that the class will have to be mentally ready to engage in a sophisticated and intelligent conversation about a variety of works, this will take a further development of a vocabulary germane to Art and the philosophy and theory pertaining to Art. This approach to the class will also require a deepened understanding of current contemporary art practices, it will necessitate more exposure to Art theory, Art history and current contemporary art. Drawing II will include more reading and research about artists both living and historical, this is meant to inspire students in the making of their own work and develop a more informed way of talking about one’s own work and also the work of others. Prerequisite: ART 111 or instructor approval. (4 credits)
**Studio Art I**

Studio Art I is a class centered around group critiques based on student work. Students are given the freedom to work in whatever medium they choose and are encouraged to expand their creativity by experimenting with different art forms and approaches. The instructor will give specific reading and research assignments to each individual student based on their work. Studio Art I students are challenged to think critically about art from a reformed perspective and to experiment with different materials. (4 credits)

**Studio Art II**

Studio Art II is a class centered around group critiques based on student work. Students are given the freedom to work in whatever medium they choose and are encouraged to expand their creativity by experimenting with different art forms and approaches. The instructor will give specific reading and research assignments to each individual student based on their work. Studio Art II students are challenged to think critically about art from a reformed perspective and are encouraged to search for their own specific voice with their work by finding an appropriate medium and approach that best expresses their intentions. Prerequisite: ART 115 or instructor approval. (4 credits)

**Studio Art III**

Studio Art III is a class centered around group critiques based on student work. Students are given the freedom to work in whatever medium they choose and are encouraged to expand their creativity by experimenting with different art forms and approaches. The instructor will give specific reading and research assignments to each individual student based on their work. Studio Art III students are challenged to think critically about art from a reformed perspective and are expected to develop their own personal style of work. As this focus develops, students will be challenged to articulate the ideas and themes that are central to their work and understand the historical and contemporary influences on their work. Prerequisite: ART 116 or instructor approval. (4 credits)

**Studio Art IV**

Studio Art IV is a class centered around group critiques based on student work. Students are given the freedom to work in whatever medium they choose and are encouraged to expand their creativity by experimenting with different art forms and approaches. The instructor will give specific reading and research assignments to each individual student based on their work. Studio Art IV students will develop a clear vision for their own work both aesthetically and visually with a focused grasp on construction methods and materials used in the creation of their work. Students will begin to make work that is connected conceptually to their faith and will be able to write and speak skillfully about art, culture, and theology. Studio Art IV students will create a final show of their work that will be open to the whole school and to the public. Prerequisite: ART 117 or instructor approval. (4 credits)
211  Art Appreciation

Art Appreciation is an introductory survey course offering a broad overview of western art history that highlights different approaches to art making in cultures that shaped the one we live in today. Through extensive slide lectures that cover a broad range of media from early Greek and Roman sculpture, Western European painting and modernism to contemporary art, the course will give students the necessary tools to understand and interpret visual art by placing artwork in context and thinking critically about it. The course will discuss important art theory and philosophy texts that are germane to each period of art history and students will be asked to do research and present to the class on particular pieces of art. (4 credits)

221  Plein Air Painting I

This course introduces students to the concepts and principles of plein air painting through hands-on instruction and application in the field. “En plein air” is a French expression meaning “in the open air” and is used to describe the act of painting outdoors, usually landscape painting. The course includes the study and application of old master’s landscape painting techniques, covering the principles of the materials and the core fundamentals of painting application. The focus will be on painting from observation with the goal of producing paintings that are both intelligible representations of the observed landscape and powerful images that are both personal and expressive. By using color theory, composition methods, paint mixing, use of light and shadow, and brush techniques, students will learn to create representational paintings with depth and excitement. The class will meet in various locations from the nearby mountains to locations in the city, which may require some light hiking and carrying of equipment. Along with on-site instruction and demonstrations, students will be exposed to the rich history of plein air painting with readings and artist research. Each student will be responsible for acquiring their own equipment and materials for the class, and the cost may vary depending on what level of material the student chooses to purchase. (4 credits)

222  Plein Air Painting II

Plein Air Painting II is a course that builds on the skills that were developed in Plein Air Painting I. Students will move beyond the introductory level of painting and begin to work in a more advanced way with an increased level of depth, focus, and expressivity in their paintings. Students will learn new techniques with color, line, shadow, and brush work, and will begin to develop their own style of painting that explores personal ideas and concepts that are both expressive and specific. Prerequisite: ART 221 or instructor approval. (4 credits)

330  Art Theory: Philosophy of Fine Art

The Art Theory: Philosophy of Fine Art course examines art theory and philosophy texts that helped shape fine art practices of the 19th and 20th centuries. The course covers classic works by Hegel, Derrida, Adorno, Burke, Kant, Deleuze, and also covers more specific art theory and philosophy texts by artists and other philosophers such as Clement Greenberg, Maurice Merleau-Ponty, Robert Smithson, Jeremy Gilbert-Rolf, and Dave Hickey. The class will look at specific works of art that test and examine some of these ideas, and students will learn how to connect the
Art History: Before and After Courbet

Gustave Courbet (1819-1877) stands right in the middle of one of the most important periods of Art history, a transition from the old masters, neoclassicism and romanticism, to an entirely different way of seeing the world. Courbet's realism challenged the old guard and redefined the possibilities of painting; he influenced other artists, such as Manet, Cezanne, Monet, and Renoir. His work acts a precursor to many dramatic changes to come in art history after his death, and many consider Courbet to be the unwitting forefather to Modernism. The class will study a 100-year period of art history placing Courbet right in the middle of that timeline. Through slide presentations, museum visits, discussions, reading and writing assignments, students will get an in depth understanding of this important period in art history surrounding the man, the painter, Gustave Courbet. (4 credits)

Biblical and Theological Studies (BTS)

201 New Testament Studies and Theology I: Gospels and Acts
In this course, we read and closely examine each of these biblical books with a view to 1) questions of introduction (authorship, canon, inspiration, integrity of the documents, dating, etc.); 2) hermeneutics, or how to interpret the unique genres of the Gospels and Acts; 3) intertestamental history as background to the Gospels; 4) the biblical and systematic theology taught in these books, especially the kingdom of God and Old Testament fulfillment, the person and work of Christ, his ethical teaching, and the nature and mission of the church. [Formerly BTS 101] (4 credits)

202 New Testament Studies and Theology II: Epistles and Revelation
In this course, we read and closely examine each of the Pauline and General Epistles and the book of Revelation with a view to 1) questions of introduction (authorship and dating); 2) questions of interpreting first century letters in context, as well as the apocalyptic genre of Revelation; 3) the biblical and systematic theology taught in these books, particularly the eschatological already/not yet nature of the church’s existence, the person and work of Christ, justification by faith, life in the Spirit, and the victory and struggle of the church awaiting Christ’s return. [Formerly BTS 102] (4 credits)

301 Old Testament Studies and Theology I: Pentateuch and Historical Books
In this course, we read and closely examine each of the biblical books from Genesis to Esther with a view to 1) questions of introduction (authorship, canon, inspiration, integrity of the documents, dating, etc.); 2) hermeneutics, or how to interpret the Old Testament as Christians, and the special genres of law, covenant, and historical narrative; 3) the historical and cultural ancient Near Eastern
background of the Old Testament; 4) the biblical and systematic theology taught in these books, especially creation, fall, the nature of the covenants, redemption, atonement, law, temple, holiness, prophets, priests, kings, and typology. [Formerly BTS 201] (4 credits)

302 Old Testament Studies and Theology II: Psalms, Wisdom Literature, and Prophets

In this course, we read and closely examine each of the biblical books from Job to Malachi with a view to 1) questions of introduction (authorship, dating, integrity of the books); 2) special issues of interpreting Hebrew poetry, wisdom literature, and genres of prophecy; 3) the historical and cultural ancient Near Eastern background of these books; 4) the biblical and systematic theology taught in these books, particularly the progressive revelation of the coming eschatological kingdom of God and his Messiah, the way of wisdom, the problem of suffering, the sovereignty of God, ultimate judgment and salvation, the new covenant and the coming of the Spirit. [Formerly BTS 202] (4 credits)

205 Hermeneutics

This course is a study of the methods and principles of biblical interpretation. We begin with a survey of key figures and debates in the history of interpretation in the church. Then, because the Bible is both divine and human word, we study the nature and necessity of presuppositions, grammatical-historical interpretation, and contemporary application. Particular attention is given to the contested issues of the New Testament’s interpretation of the Old Testament, and the implications for faithful Christ-centered interpretation of all the Scriptures. (4 credits)

220 Reformed Doctrine and Life

This course examines the biblical basis and systematic expression of the central teachings of the Christian faith, especially as recovered and developed in the Reformed tradition and its confessional documents. Topics such as general and special revelation, the nature of God, Christ, humankind, the Holy Spirit, salvation, the covenants, the law, the church, last things, and more, are studied with a view to how they enable us to better glorify the true God and enjoy him forever in every area of life. (4 credits)

295 Biblical and Modern Israel

This course will be an in-depth study of the culture and biblical history of Israel. As this class integrates the Avodah Program’s annual Immersion trip, students will spend 14 days in Israel focusing on the politics, geography, archaeology, ethnography, religion, etc., while traveling throughout the country, viewing biblical sites, and visiting with local church leaders. This trip will be the culmination of a semester of classroom time preparing students for the sites they will see. Students will especially come to a deeper understanding of the religious and social conflicts within Israel and the fight over the land. Students will meet weekly throughout the spring semester, with the Immersion trip taking place during May term. (4 credits + 1 credit for the Avodah Immersion)
315 History of Christianity I: From the Apostolic Era to the Reformation
This course examines the history of the Christian church from the time of the apostles to the European Reformation of the 16th century. Emphasis will be given to the geographical expansion of the church, the development of orthodoxy, forms of spirituality, and worship. (4 credits) (Cross-listed as PPH 315)

316 History of Christianity II: From the Reformation to the Present
This course is a continuation of BTS 315 from the Reformation to the present time. Emphasis will be given to the diversity of Protestantism, the challenges of the modern age, and the spread of Christianity worldwide. (4 credits) (Cross-listed as PPH 316)

321A Genesis
This course provides an in-depth study of the Bible’s foundational book, in its context as the first part of the Mosaic Torah. Torah means instruction, and this Torah provides the framework for the Bible’s instruction in the nature of God, the way of faith in the promise, and how to walk before God as his people. Special focus is given to interpreting the accounts of creation, fall, flood, and the rest of the primeval history, in view of challenges to their historicity as well as the need to explore general revelation through science. Most of all, we discover the many ways that the redemptive-historical theology of Genesis and Torah leads us to the goal of God’s covenantal purposes in Jesus Christ. Prerequisite: BTS 301 or permission of the instructor. (4 credits)

338 Biblical Studies I: Old Testament: Pentateuch
This course provides an in-depth study of the five books of Moses, from a biblical-theological, historical, and literary perspective. We will also consider the role of the Pentateuch in higher critical theories of the Old Testament, as well as responses that respect the integrity of the text. We will give special attention to the accounts of creation, fall, and the flood, in view of challenges to their historicity and the need for discerning appreciation of the findings of science. Then through the stories of the Patriarchs, the Exodus, and the wilderness wanderings, we will explore the interwoven themes of covenant, promise, redemption, law, sacrifice, and purity and how all of it points us to a greater vision of the glory and holiness of God and his gracious plan for his people, culminating in Jesus Christ. (4 credits)

This course is a study of the Apostle Paul, his letters, and their theological and ethical themes, within the first century historical context. We study how Paul’s letters fit within the history given in the book of Acts, the nature of his debate with opponents in Galatians and elsewhere, and especially Paul’s unique revelation and explication of the “doctrines of grace”: the eschatological gospel that declares those “in Christ” are freely justified, and now live by the power of the Spirit, to the glory of God. We also consider the challenges to Reformation readings of Paul by more recent “new perspectives” on Paul. Prerequisite: BTS 202 or permission of the instructor. (4 credits)
342    Apologetics
This course is a study of the why and how of Christian witness to the truth of the faith, as we seek to be prepared to “give an answer for the hope that is in us.” The approach is biblical, historical, and philosophical, and examines the merit of competing apologetic methods, considering the necessary role of presuppositions and evidences. Special attention is given to resurgent scientific naturalism and the intelligent design response, our postmodern and pluralistic context, historical arguments for Christ and his resurrection, responding to Islam, and the problem of evil. The course also stresses that the necessary framework for this task is the cultivation of winsome persuasion in genuine human relationships, and a demonstrated Christian character that gives ultimate credibility to our defense of the faith. (4 credits)

348    World Missions
This course begins with a study of the biblical basis for mission activity around the world. It then examines the history of mission efforts in other countries, especially those within the Presbyterian and Reformed traditions. A further examination is made of the current status of missions and the special needs and approaches called for in the 21st century. (4 credits)

362    Christology
A study of the person and work of Christ, this course will lead us to a deeper appreciation of the practical importance of knowing Christ as the God-Man and what he has accomplished for us. Recent challenges to Nicene and Chalcedonian orthodoxy and to penal substitutionary atonement will be met by a closer examination of Scripture as well as the best of the patristic and Reformed theological tradition. Finally, we will consider how the gospel of our salvation is at stake in the ways Jesus Christ has been misrepresented in our current Christian cultural context. (4 credits)

365    Soteriology
This course will deepen understanding of the triune God’s gracious plan of salvation. Topics covered include the function of union with Christ in Reformed soteriology and the benefits associated with that union, namely, adoption, regeneration, justification, sanctification, and perseverance. The course will include analysis of biblical texts in both their immediate context and in the overall flow of Scripture, an overview of the development of the doctrine in Reformed theology, as well as an examination of contemporary challenges relating to the topics. Prerequisite: BTS 320 or permission of the instructor. (4 credits)

370    Ecclesiology
This course examines the biblical teaching on the doctrine of the church (ecclesiology), how this is developed in Reformed theology, and how this equips us to meet contemporary challenges. We study the nature, purpose, mission, structure, order and life of the church, and also critically engage the missional and emergent church movements. (4 credits)
386  **John Calvin: Reformer and Theologian**

Building on a close reading of the *Institutes of the Christian Religion* and selected other works, this course will study the life and theology of John Calvin, including the development of his thought in its sixteenth-century context and recent scholarship on Calvin. (4 credits)

395A  **Women in Church and Society**

This course will engage the range of perspectives on women’s callings to ministry in the church, and, more broadly, to leadership in society. Those who agree on biblical authority are yet sharply divided between complementarians—holding to at least some normative role differences, and egalitarians—contending for equality in all callings. We examine the biblical hermeneutics at the center of the debate, as well as issues at the intersection of theology, history, culture, and ethics. We will seek faithfulness to the Bible, as well as a critical consideration of the historical and contemporary women’s movement, evangelical feminism, feminist theology, and feminist criticism. The goal will be to find encouragement for women to flourish alongside men with all their gifts for Christ’s kingdom in the church and world. (4 credits)

396  **Special Topics in Theological Studies**

These courses will cover a variety of topics that are not studied in depth in other theological studies courses. Topics will be chosen according to student interest and instructor expertise. (1-4 credits)

397  **Special Topics in Historical/Philosophical Studies**

These courses will cover a variety of topics that are not studied in depth in other historical or philosophical studies courses. Topics will be chosen according to student interest and instructor expertise. (1-4 credits)

423  **Psalms**

This course provides an in-depth look at the Book of Psalms. We will study the nature of Hebrew poetry, the history and principles of Psalms interpretation, the structure of the Psalter, and the different Psalm genres. The goal will be to understand the theology of the Psalms as focused on the kingdom of God and his coming Messiah, and the way of wisdom embodied by that hoped for fulfillment of the Davidic type. Consistent Christological interpretation then reveals important implications for our use of the Psalms in worship and Christian living. Prerequisite: BTS 302 or permission of the instructor. (4 credits) [Formerly BTS 323]

425  **Isaiah and Prophetic Literature**

This course is a detailed study of the book of Isaiah against the background and history of the prophetic institution in ancient Israel. The prophets called God’s people to covenant faithfulness, warned of God’s judgment, and proclaimed coming redemption through his Messiah. Isaiah gives us climactic revelation regarding the coming of this one as King and Suffering Servant. The theology of the book is foundational for understanding the New Testament, and provides a powerful message for the church today. Prerequisite: BTS 302 or permission of the instructor. (4 credits) [Formerly BTS 327]
426  **Apocalyptic Literature**
This course focuses on the biblical books or portions of books sharing features of apocalyptic prophecy: Isaiah 24-27, Ezekiel 38-48, Daniel, Zechariah, and the New Testament book of Revelation. Dealing with God’s climactic intervention to crush evil and bring in the new age, apocalyptic features visions and symbolism that require careful attention to literary genre and historical context, including intertestamental Jewish apocalyptic. Revelation will be seen to build on much of this earlier apocalyptic tradition. Prerequisite: BTS 302 or permission of the instructor. (4 credits) [Formerly BTS 326]

432  **Johannine Literature: Gospel and Letters**
This course is a study of the fourth Gospel and 1-3 John. Recent scholarship has produced a wealth of research on these books, opening up new vistas for appreciating the depths of John’s theological themes. These focus on the glory of the eternal Word made flesh, fulfilling the Old Testament, revealing to us the Father and the Spirit, and redeeming us on the cross. Special study is also made of the historical reliability of John’s Gospel, and of John’s theology of mission. Prerequisite: BTS 201 or permission of the instructor. (4 credits) [Formerly BTS 332]

434  **Later New Testament Literature**
This course is a study of the general or catholic epistles (Hebrews, James, 1-2 Peter, and Jude). A special study is made of the theology of Hebrews, focusing on the superiority of Christ as the fulfillment of OT types and shadows, and the danger of apostasy. Issues of Jewish Christianity then and now are examined, especially with reference to Hebrews and James. Close attention is given to the exegesis of contested passages in these books. Prerequisite: BTS 202 or permission of the instructor. (4 credits) [Formerly BTS 334]

460  **Doctrine of God**
In this course, we will reflect deeply on what it means to know God, his nature, names, holiness, his being in Trinity, and other such topics, in company with some of the greatest theologians (church fathers, Calvin, Bavinck). The goal is to gain a better grasp of the biblical vision of the beauty and glory of God which leads us to adoration, trust, and joyful service. We will also interact with contemporary accounts of this doctrine, especially “open theism,” and its challenge to traditional and Reformed perspectives. (4 credits)

462  **Christology**
A study of the person and work of Christ, this course will lead us to a deeper appreciation of the practical importance of knowing Christ as the God-Man and what he has accomplished for us. Recent challenges to Nicene and Chalcedonian orthodoxy and to penal substitutionary atonement will be met by a closer examination of Scripture as well as the best of the patristic and Reformed theological tradition. Finally, we will consider how the gospel of our salvation is at stake in the ways Jesus Christ has been misrepresented in our current Christian cultural context. (4 credits)
Pneumatology
This is a study of the person and work of the Holy Spirit in the Bible and Christian theology. A biblical theology of the Holy Spirit will emphasize the eschatological age of the Spirit in which we now live, and how it is anticipated and prefigured in the Old Testament. We will also seek a biblical perspective on the gifts of the Spirit and contemporary charismatic experience. Our study will lead us to know God the Holy Spirit more deeply, live more by his power, and better reflect his holiness. Prerequisite: BTS 201, 202, 301, 302. (4 credits) [Formerly BTS 364]

Special Topics in Biblical and Theological Studies
These courses will cover a variety of topics that are not studied in depth in other biblical and theological studies courses. Topics will be chosen according to student interest and instructor expertise. (4 credits)

BTS Capstone: Paper/Project and Presentation
The Liberal Studies major at Providence Christian College culminates in two capstone courses. These courses are designed to allow students to demonstrate their mastery of institution-wide learning outcomes as well as their achievement of competency in their chosen area of concentration through a presentation of a paper or project. Particular components of this course including goals, objectives, and methods of assessment appropriate for the particular concentration will be set by the faculty member. Prerequisite: 4th year standing (4 credits)

Biology (BIO)

General Biology
Introductory course for students emphasizing the principles of cellular and molecular biology, genetics, and development. In conjunction with classroom instruction, the biology lab will be divided between observational and experimental approaches, with emphasis on the collection and interpretation of quantitative data. 371  Creative and Narrative Writing Workshop
This course asks students to pursue a rigorous program that includes close reading of literary texts, explication and critical writing, imitation and modeling, and original creative work in the poetry and fiction genres. Fiction work will consider the tenets of realism and its alternatives, and practice different approaches to style, characterization, structure, and point of view, while poetry will employ metaphor, mode and prosody (rhythm and sound). Prerequisites: ENG 101, ENG 102, ENG 201, and MCA 301. (4 credits)

385-395  Special Topics in Literature
These Courses will cover a variety of topics that are not studied in depth in other departmental courses. Topics will be chosen according to student interest and instructor expertise. Sample topics may include: Women and Literature; Literature and the Environment; Theology and Literature; Race and Literature; and Beauty and Aesthetics of Literature. This course will come toward the end of the English & Communications concentration, with an emphasis on preparing students for their capstone and further independent study. Prerequisites: ENG 101, ENG 102, ENG 201, and MCA 301. (4 credits)
Entrepreneurship (ENT)

201 Principles and Practice of Innovation
This course is an introductory study of the principles and practice of creating entrepreneurial business and non-business ventures. The course explores the structure and framework of innovative endeavors, asking such questions as: What is opportunity recognition and selection? How can you create and define competitive advantage? The class addresses the entrepreneurial process and the key elements of business model generation that develop venture ideas into actual businesses. The course will utilize case studies and real-world examples to prepare students for applied learning. Emphasis will be placed on addressing these topics within a variety of concentration-specific settings. The course is a core course required of all students with no prerequisites. (4 credits).

495 BEE Capstone: Paper/Project and Presentation
The Liberal Studies major at Providence Christian College culminates in two capstone courses. These courses are designed to allow students to demonstrate their mastery of institution-wide learning outcomes as well as their achievement of competency in their chosen area of concentration through a presentation of a paper or project. Particular components of this course including goals, objectives and methods of assessment appropriate for the particular concentration will be set by the faculty member. Prerequisite: 4th year standing (4 credits).

Geography (GEO)

205 World Geography
This course analyzes the earth’s principal culture regions from a geographic perspective. These areas are examined in the light of several foundational geographic themes: The locational organization of physical and cultural features, society-land relationships, cultural landscapes, and patterns of spatial interaction among and within regions. (4 credits)

Knowledge, skills, and abilities necessary to develop, implement, and manage health programs for individualized applications will be developed. Students will be participating in practical learning opportunities that are designed to demonstrate, assess and enhance parameters of their personal health, wellness, and professional readiness. (4 Credits)
250  Nutrition
[Formerly HLS 304]
This course examines the role of nutrition in the individual and community context of health, wellness, and prevention of chronic disease. Topics include community and cultural food practices, nutrients and nutritional needs across the lifespan, nutritional assessment, food safety, food security, wellness, body weight regulation, eating disorders, sports nutrition, and prevention of chronic disease. Pre-requisite: CHM 121, or instructor approval. (4 credits)

399  Applied Apprenticeship
Field experience opportunities allow students to become involved in the clinical nature of the health professions, further strengthening the theoretical concepts of holistic care covered in the classroom. Students develop a heart for service as they use their skills in healthcare to take part in a wide range of service opportunities on campus, and in the local and global communities. Instructor approval needed. (4-16 credits)

495  HLS Capstone: Paper/Project and Presentation
The Liberal Studies major at Providence Christian College culminates in two capstone courses. These courses are designed to allow students to demonstrate their mastery of institution-wide learning outcomes as well as their achievement of competency in their chosen area of concentration through a presentation of a paper or project. Particular components of this course including goals, objectives and methods of assessment appropriate for the particular concentration will be set by the faculty member. Prerequisite: 4th year standing (4 credits)

Health and Physical Education (HPE)

A maximum of eight HPE credits will be allowed to count towards graduation. HPE credits for transfer students will be prorated based on their status at transfer. While no course credit is given for intercollegiate athletics, athletes can waive their two HPE credit requirements through participation in two semesters of intercollegiate athletics. HPE courses may be repeated once for credit.

Personal Health Fitness

101  Walking/Jogging
This course introduces lifetime physical fitness principles through low-impact walking and an introduction to jogging. Student experience includes both indoor and outdoor walking routines with the inclusion of boxing and kickboxing elements. (0.5 credit)
102  Racquetball
This course introduces lifetime physical fitness principles through the sport of racquetball. Students will learn the fundamental skills and rules of racquetball in a fitness-based setting. Course fee: TBD (0.5 credit)

103  Basketball
This course introduces lifetime physical fitness principles through the sport of basketball. Students will learn the fundamental skills and rules of basketball in a fitness-based setting. (0.5 credit)

104  Health & Wellness
This course introduces lifetime physical fitness principles through a range of different learning experiences. Students will learn about basic health topics, explore current cultural health concerns, and participate in various forms of physical activity. (0.5 credit)

105  Fitness Bootcamp
This course is designed to provide the student with an opportunity to experience the benefits of a variety of exercises that will work all different muscle groups. (0.5 credit)

106  Aerobic Exercise
This course introduces lifetime physical fitness principles through the activity of aerobics. Students will learn fundamental movement skills and flexibility and strength training concepts in a fitness-based setting. (0.5 credit)

107  Weight training
This course introduces lifetime physical fitness principles through weightlifting and other muscle developing exercise. Students will learn the fundamental skills and principles of weightlifting in a fitness-based setting. (0.5 credit)

Leisure and Lifetime

111  Badminton
This course introduces the leisure and lifetime concept through the sport of badminton. Students learn the fundamental skills and rules necessary to participate in badminton at the recreational level. (0.5 credit)

112  Tennis
This course introduces the leisure and lifetime concept through the sport of tennis. Students learn the fundamental skills and rules necessary to participate in tennis at the recreational level. (0.5 credit)

113  Bowling
This course introduces the leisure and lifetime concept through the sport of bowling. Students learn the fundamental skills and rules necessary to participate in bowling at the recreational level. Course fee: TBD (0.5 credit)
114  Golf
This course introduces the leisure and lifetime concept through the sport of golf. Students learn the fundamental skills and rules necessary to participate in golf at the recreational level. Course fee: TBD (0.5 credit)

115  Volleyball
This course introduces lifetime physical fitness principles through the sport of volleyball. Students will learn the fundamental skills and rules of volleyball in a fitness-based setting. Course fee: TBD (0.5 credit)

116  Outdoor Adventure: Hiking & Backpacking
This course is designed to give the student a general overview of and experience in hiking and backpacking. With these skills, the student will be able to spend time in the backcountry in appreciation and exploration of God’s wonderful creation. Through a series of lectures, class activities, day hikes, and overnight outings, the student will develop a hands-on understanding of how to efficiently and safely experience backcountry travel. Throughout the course, the student will learn how to: travel and camp comfortably, deal with injuries, cook in the outdoors, and simultaneously appreciate and protect the environment. Course fee: TBD (0.5 credit)

Other Courses

385-395 Special Topics in Health and Physical Education
These courses will cover a variety of topics that are not studied in depth in other departmental courses. Topics will be chosen according to student interest and instructor expertise. (0.5-4 credits)

Hebrew (HEB)

101  Beginning Hebrew I
This course is an introductory study of biblical Hebrew, with emphasis on word formation, vocabulary, and basic syntax. Some reference is made to Modern Hebrew. (4 credits)

102  Beginning Hebrew II
This course is a continuation of HEB 101. Prerequisite: HEB 101. (4 credits)

201  Intermediate Hebrew I
In this course, we will read portions of the Hebrew Bible, practicing translation and analysis of the text. We will also review basic Hebrew grammar and vocabulary. Prerequisite: HEB 102. (4 credits)

202  Intermediate Hebrew II
This course will continue Hebrew Bible reading from HEB 201, in addition to grammar and vocabulary review. Prerequisite: HEB 201. (4 credits)
History (HIS)

315  History of Christianity I: From the Apostolic Era to the Reformation
This course examines the history of the Christian church from the time of the apostles to the European Reformation of the 16th century. Emphasis will be given to the geographical expansion of the church, the development of orthodoxy, forms of spirituality, and worship. (4 credits) (Cross-listed as BTS 315)

316  History of Christianity II: From the Reformation to the Present
This course is a continuation of HIS 315 from the Reformation to the present time. Emphasis will be given to the diversity of Protestantism, the challenges of the modern age, and the spread of Christianity worldwide. (4 credits) (Cross-listed as BTS 316)

355  Religion in America
This course is a historical survey of the varieties of religious faith and practice in the United States from the colonial era to the present. (4 credits) (Cross-listed as BTS 355)

361  Greek and Roman History
This course introduces students to Greek and Roman civilization and culture, through an examination of Greek and Roman military, political, economic, and intellectual history. Major figures to be covered include Agrippa, Alexander the Great, Augustus, Cato, Cicero, Cyrus, Darius, Demosthenes, Hannibal, Julius Caesar, Pericles, Scipio, Solon, and Themistocles. The course is a core concentration course required of all students in the PPH concentration. (4 credits)

365  Renaissance and Reformation
This course introduces students to the Renaissance and Reformation period in Western history, through an examination of the ideas and circumstances that shaped European culture from the 14th through the 16th centuries. The course is a core concentration course required of all students in the PPH concentration. (4 credits)

495  History Capstone: Paper/Project and Presentation
The Liberal Studies major at Providence Christian College culminates in two capstone courses. These courses are designed to allow students to demonstrate their mastery of institution-wide learning outcomes as well as their achievement of competency in their chosen area of concentration through a presentation of a paper or project. Particular components of this course including goals, objectives and methods of assessment appropriate for the particular concentration will be set by the faculty member. Prerequisite: 4th year standing (4 credits)
Humanities (HUM)

115 American Civilization and Culture
This course unfolds the history of the American regime through a careful study of key public documents, speeches, literary works, films, and other cultural artifacts. Special attention is given to the colonial antecedents of the American republic, the principles and practice of the founding generation, controversies among the second and third generations of American statesmen over slavery, and the democratization and the reconceptualization of the American regime that paved the way for the introduction of Pragmatism, Pluralism, Progressivism, Imperialism, and the growth of the American administrative state. The course closes with a discussion of the nature and trajectory of the twenty-first century American regime. (4 credits)

211 Classical and Medieval Civilization and Culture
This course unfolds the history of the West from the rise of antiquity to the close of Christendom, through a careful study of historical documents, literary works, and philosophical treatises. By examining the connection between ideas and consequences, the course brings clarity to why and how the West was made, underwent upheaval from one epoch to the next, and became modern. The course is a core course required of all students. Prerequisite: HUM 110 or instructor approval. (4 credits)

212 Modern and Post-Modern Civilization and Culture
This course unfolds the history of the West from the birth of modernity to the present age, through a careful study of historical documents, literary works, and philosophical treatises. By examining the connection between ideas and consequences, the course brings clarity to why and how the West chose to be modern, questioning that choice thereafter, and whether it understands itself today. The course is a core course required of all students. Prerequisite: HUM 110 or instructor approval. (4 credits)

385-395 Special Topics in Humanities
These courses will cover a variety of topics that are not studied in depth in other departmental courses. Topics will be chosen according to student interest and instructor expertise. (1-4 credits)

495 Humanities Capstone: Paper/Project and Presentation
The Liberal Studies major at Providence Christian College culminates in two capstone courses. These courses are designed to allow students to demonstrate their mastery of institution-wide learning outcomes as well as their achievement of competency in their chosen area of concentration through a presentation of a paper or project. Particular components of this course including goals, objectives and methods of assessment appropriate for the particular concentration will be set by the faculty member. Prerequisite: 4th year standing (4 credits)
Kinesiology (KIN)

320  Kinesiology
[Formerly HLS 300]
The study of the multiple ways of knowing and studying human movement and its role in daily life and community practices. Emphasis will be on the structure and function of the skeletal, muscular, and nervous systems, with simple mechanical principles involved in movement skills. Additional topics include the role of sport, evaluation of movement, exercise and fitness in higher education and in career opportunities. (4 credits)

380  Exercise Physiology
Basic physiological concepts of muscular exercise with emphasis on the acute responses and chronic adaptations of the neuromuscular, circulatory and respiratory systems.
Laboratory and field applications of testing in exercise physiology. Theory and skills in fitness assessment will be covered, along with analyses of test results. Prerequisites: BIO 240 / 241. (4 credits)

Liberal Studies (LBS)

101  The Christian Life
This course is designed to introduce newly enrolled students to the Reformed context that underlies a Providence Christian College education. The class takes, as its starting point, the necessary place of faith in all of life and learning. Students will consider and apply key philosophical and theological terms as they engage discussions related to worldview formation, especially that of the Biblical triad creation-fall-redemption, the relationship between Christ and culture, and the holistic formative nature of faith-rooted education. (4 credits)

450  Field Experience – Internship (1-4 credits)

490  Capstone: Career Development and e-portfolio
The Liberal Studies major at Providence Christian College culminates in two capstone courses. These courses are designed to allow students to demonstrate their mastery of institution-wide learning outcomes as well as their achievement of competency in their chosen area of concentration in order to enhance the success of the transition from college to the world of work or to further academic endeavors. Prerequisite: 4th year standing (4 credits)
Capstone: Career Development and e-Portfolio

The Liberal Studies major culminates in an interdisciplinary capstone course taken in the student’s senior year. This course is designed to allow students to demonstrate their mastery of institution-wide learning outcomes as well as their achievement of competency in their concentrations. Students may request to work with faculty members in either of their concentrations (2017-2019). Particular components of this course, including goals, objectives and methods of assessment appropriate for the particular concentration, will be set by the course instructor in conjunction with the faculty content adviser and will include an online e-portfolio of student work, and a final research paper project, which will be presented to the college community at the close of the semester. Prerequisite: 4th year standing (4 credits)

Mathematics (MAT)

102 College Algebra
This course reviews equations and inequalities, and then focuses on functions and graphs: linear, quadratic, inverse, exponential, and logarithmic. Finally, basic trigonometry is surveyed, and systems of equations are studied. Students who pass with at least a “C” meet the graduation requirement. Prerequisite: A math score of 18 on the ACT or 460 on the SAT, or three years of college preparatory mathematics in high school with grades of C+ or above. (4 credits)

131 Pre-calculus Mathematics
This is a course in elementary functions designed to fulfill the core requirement in mathematics and/or prepare students for the calculus sequence. Topics include the properties of the real number system, inequalities and absolute values, functions and their graphs, solutions of equations, polynomial functions, trigonometric functions, exponential functions, and logarithmic functions. Prerequisite: MAT 102, or a math score of 28 on the ACT or 640 on the SAT, or by permission of instructor. (4 credits)

201 Mathematical Systems
This course is designed to provide students with a strong math foundation. Concepts of number theory, the structure of the whole, integer, rational and real number systems, relationships between algorithms and operations, as well as patterns using relation and functions, including linear equations, systems of equations, the factoring of polynomials, graphing and solving of quadratic equations and inequalities, will be covered. This course satisfies the core math requirement. (4 credits)

243 Statistics
This course is an introduction to statistical techniques and methods and their application to a variety of fields. Topics include data analysis, design of experiments, and statistical inference,
including confidence intervals and hypothesis testing. Knowledge of spreadsheets is recommended. (4 credits)

301 Mathematical Reasoning
This course is an introduction to the nature and methods of mathematical and quantitative reasoning. With a focus on critical thinking, topics to be covered include, among others, types of argumentation, logic, sets, relations, and functions. The course concludes with a unit on contemporary applications (and misapplications) of the taught concepts. (4 credits)

Communication and Media Arts (CMA)

201 Introduction to Fine Art
This course is an introduction to the principles of the Fine Arts—Music, Visual Arts, Drama, and Film and Media—followed by examples of the interaction of the arts in selected cultures from history and around the world and at a variety of campus arts events, in order to increase appreciation of the importance of the fine arts to the individual and community. (4 credits)

301 Principles of Cultural Interpretation
This course provides the interpretative framework for the study of media, culture, and the arts. An examination of foundational definitions, questions, and worldviews are central to this course, as is an understanding of a Christian anthropology. There will also be an overview of the prevailing cultural theories currently in use and how they do or do not cohere with a Christian worldview. Students will be given the opportunity to critique culture during the course of the semester. (4 credits)

320 New Media
This course will reflect on the Christian presence in new media. Students will engage with copy, video, digital photography, audio recordings and visual graphics to develop storytelling skills for a mobile audience, developing a biblically-sound framework for writing for social media, focusing on brand and platform development. (4 credits)

385 Special Topics in Media, Culture, and the Arts
(4 credits)

450 Apprenticeship in Media, Culture, and the Arts
(3-9 credits)
Music (MUS)

101-108  Private Voice Lessons
Private voice lessons. Additional fee required. (1 credit)

111  Private Instrumental Lessons
Private instrument lesson. Additional fee required. (1 credit)

121-128  Vocal Ensemble
Small vocal ensembles, such as duets, trios, and quartets are arranged according to student needs and performance levels. Performances are arranged for college chapels and concerts, church services, and other such venues. (1 credit)

131-138  Chorale
Providence Chorale is a choral organization of mixed voices, whose members are selected by audition from the entire student body. The Chorale is both a performance organization of the Music Department and a service organization to the College. Concerts include selections drawn from the classical, folk, and ethnic traditions, incorporating a large percentage of worship materials. Students who enroll in the fall should plan to participate in the spring as well. (1 credit)

148-158  Chamber Singers
This smaller organization of choral singers is made up of highly gifted and experienced singers chosen by audition only. (1 credit)

171-178  Instrumental Ensemble
Small instrumental ensembles such as woodwind quintet, brass quintet, string quartet, and piano trio are arranged according to student needs and performance levels. Performances are arranged for college chapels and concerts, churches, and other such venues. (1 credit)

190  Voice Class
Group lessons for students working to increase their individual vocal skills. Students will study the physiology of singing, vocal techniques, and learn solo repertoire to perform in a clinical setting for their peers. (1 credit)

195  Piano Class
Group lessons for students working to increase their individual keyboard skills. Students will study the piano techniques and learn group and solo repertoire to perform in a clinical setting for their peers. (1 credit)

211  Music Appreciation
This is an overview course of the significant forms, styles, and composers of music in Western Music History, with an emphasis on listening and appreciating the distinctive features of the
compositions, while evaluating the aesthetic role of music in society. Students will be required to attend and critique live performances of different musical styles as part of this course. (4 credits)

220 Introduction to Classroom Music Methods
Music methods for the classroom is an overview course for education majors and an introduction course for those who may wish to become music specialists in elementary and middle schools. The focus of the course will be strategies for music integration into all curricular areas. Students will explore and apply several instructional methodologies in music education including Kodaly and Orff. (2 credits)

222 Conducting I
This course is designed for students planning to teach or direct instrumental or choral music in a variety of settings. Students will study the techniques and language of conducting, the preparation and management of rehearsal, and the interpretation of music based on compositional structures, styles, and historical performance practices. Must be taken while participating in a choral or instrumental ensemble. (2 credits)

224 Music Literature
A survey of the several genres of musical literature in Western History, focusing on the renown works among them. Extensive score analysis and listening prepare music students for a deeper understanding of instrumental, choral, and vocal repertoire. (2 credits)

226 Piano Pedagogy and Practices
This practical course prepares students for the field of teaching others to play the piano. The course will cover beginning to advanced instructional techniques, musical resources, and methods for teaching a variety of piano performance styles. (2 credits)

230 Written Music Theory I
The foundation for all musicianship is the understanding and application of the structures and elements of music. This course will cover the basics of music: scales, key and time signatures, intervals, basic chord construction, and an introduction to modality. Students will also study basic form analysis, in addition to composing and notating simple melodies using current software. (2 credits)

231 Written Music Theory II
This course continues the study of the fundamentals of musical structures and elements. Students will analyze the specific melodic and harmonic structures of compositions from the 17th-19th centuries, learn instrumental transposition, review some 20th-century and contemporary techniques, and prepare individual compositions. Prerequisite: MUS 230 (2 credits)

232 Keyboard Harmony I
Fundamental keyboard skills provide the means for the practice and study of musical notation and rhythms, intervals, major and minor keys, and melodic and harmonic structures. These courses
complement the Written Theory ones by providing hands-on experience with a piano. Completion or concurrent enrollment in MUS 230 required. (1 credit per semester)

233 **Keyboard Harmony II**
A continuation of MUS 232. Fundamental keyboard skills provide the means for the practice and study of musical notation and rhythms, intervals, major and minor keys, and melodic and harmonic structures. These courses complement the Written Theory ones by providing hands-on experience with a piano. Completion or concurrent enrollment in MUS 230 required. (1 credit per semester)

234 **Sight-Singing and Aural Skills I**
Fundamental vocal skills also provide the means for practice and study of musical notation, rhythms, and intervals. Students will learn to sing melodies by sight in various key signatures, and notate melodies, chord progressions, and rhythm patterns using staff paper. Completion or concurrent enrollment in MUS 230 required. (1 credit per semester)

235 **Sight-Singing and Aural Skills II**
Fundamental vocal skills also provide the means for practice and study of musical notation, rhythms, and intervals. Students will learn to sing melodies at sight in various key signatures, and notate melodies, chord progressions, and rhythm patterns using staff paper. Completion or concurrent enrollment in MUS 231 required. (1 credit per semester)

246 **World Music Survey**
This course is an overview of music in non-western cultures. Students will examine significant differences in the role of music in non-western cultures, ranging from aesthetic qualities to ritualistic contexts. Examples of Native American, Central and South-American, African, and Asian music will be analyzed and compared for musical similarities and expression of universal concepts. (4 credits)

250 **Survey of Worship Music in Church History**
The purpose of music in worship has changed dramatically in the history of the Protestant church. Students will examine music literature for the church in its Biblical context from the earliest practices to the present. Emphasis will be placed on hymnology, liturgy, and special music in the church. (4 credits)

340 **Music History I**
This course is designed to examine the development of Western music from the Greeks to the end of the Baroque period, with attention to non-western music and sacred music. (4 credits)

341 **Music History of the Western World II**
This course is the continuation of MUS 240 and examines the development of Western music from the Baroque to the present, with attention to non-western music and sacred music. (4 credits)
385-395 Special Topics in Music

These courses will cover a variety of topics that are not studied in depth in other departmental courses. Topics will be chosen according to student interest and instructor expertise. (1-4 credits)

Philosophy (PHL)

201 History of Philosophy
This course examines the seminal themes, debates, and thinkers that shaped philosophy from the pre-Socratic era through the Modern era. Major philosophers to be covered include Pythagoras, Heraclitus, Zeno, Socrates, Plato, Aristotle, Augustine, Aquinas, Descartes, Spinoza, Leibniz, Hobbes, Locke, Hume, Kant, Schopenhauer, Bentham, Mill, and Kierkegaard, among others. (This course is a core concentration course required of all students in the PPH concentration.) (4 credits)

231 Theories of Human Nature
This course is a survey of the seminal theories of human nature, including theories drawn from philosophy, theology, science, and politics across the major epochs of human history. (4 credits)

311 Aesthetics
In this course, we will explore beauty and imagination in human life. The course will include a brief historical overview of perspectives on beauty and imagination in classical and biblical thought, during the medieval period, during the Renaissance and Reformation, and into the Modern age, with particular attention to the late 19th and 20th century Reformed perspectives. We will continue with a few of the key questions raised in philosophical aesthetics: What is the aesthetic? What is art? What is beauty? We will also turn our attention to beauty and the imagination in everyday life and in popular culture. (4 credits)

340 Christian Ethics
This course outlines a biblical framework for approaching ethical questions and issues. It examines how the Church has addressed ethical questions at different times in history and how contemporary Christians can develop a biblically-relevant approach to the issues of our day. Given that the course is required of all students within the BEE, HLS, PPH, and PSY concentrations, particular attention will be paid to applied ethics within business, health and life sciences, public policy, and psychology settings. (4 credits) (Cross-listed as BTS 340)

415 Metaphysics and Epistemology
This course will introduce students to issues in contemporary metaphysics and epistemology. Metaphysics investigates the ultimate nature and structure of reality, and typically includes topics such as the mind/body distinction, free will, space and time, material objects, causation, properties, existence in general, and the existence of God. Epistemology investigates the nature, sources, and
limits of human belief, knowledge, and understanding, and typically includes topics such as the
distinction between mere true belief and knowledge, the difference between knowing and
understanding, testimonial knowledge, memorial knowledge, perceptual knowledge, intuition, and
probabilistic knowledge. (4 credits)

454 American Philosophy
This course seeks to answer the question as to whether American intellectuals have offered a
unique contribution to the history of philosophy. The course considers not only the important
works of leading American thinkers from Jonathan Edwards to Richard Rorty, but also how social,
economic, political, and cultural developments have shaped America’s philosophical ethos.
Students will study the place of New England Theology under Jonathan Edwards, the iconoclasm
of the Transcendentalists, and the post-Civil War development of Pragmatism from Charles Pierce
and William James to Richard Rorty. (4 credits)

495 Philosophy Capstone: Paper/Project and Presentation
The Liberal Studies major at Providence Christian College culminates in two capstone courses.
These courses are designed to allow students to demonstrate their mastery of institution-wide
learning outcomes as well as their achievement of competency in their chosen area of
concentration through a presentation of a paper or project. Particular components of this course
including goals, objectives and methods of assessment appropriate for the particular concentration
will be set by the faculty member. Prerequisite: 4th year standing (4 credits)

Physics (PHY)

121 Physics
A study of mechanics, heat, and sound. Principles are treated quantitatively but without a calculus
requirement. In conjunction with classroom instruction, the physics lab component for this
requires students to apply the laws and theories of mechanics, heat, and sound through
experiment. No prerequisites; lecture and lab must be taken concurrently. (6 credits)

Political Science (POL)

301 Politics and Culture
This class examines ideas and power from the vantage point of culture. Starting with
an examination of ancient Western culture, the course moves on to explore the particular
